Making High Heels Philanthropy Charity:

Making it in High Heels 4: Women Of Philanthropy & Charity Nicolette Hernandez, 2018-10-09 Success It means wanting something so grand and finally taking it But for young women this wanting goes hand in hand with doubt and fear Making It in High Heels addresses her inner voice that says I m not good enough It celebrates how successful women are able to tame that inner voice and ultimately transform it into I am worth it I can do this This group of superwomen not only achieve success in their careers but also have the confidence and desire to help causes close to their hearts Discover how each woman s journey takes her to success and the drive that pushes her to do even more Women and Philanthropy Sondra Shaw-Hardy, Martha A. Taylor, Buffy Beaudoin-Schwartz, 2010-08-13 Women Philanthropy Women s philanthropy has led the way in virtually reinventing the world of fundraising and ways of giving When women make a gift are in a leadership position or volunteer their time to a nonprofit or charitable organization they tend to base their efforts on solid principles such as compassion values vision and responsibility Women are increasingly engaged in giving circles global giving transformative gifts entrepreneurial giving faith based giving family and couple giving and social change gifts Based on extensive interviews and the authors combined half century of experience Women and Philanthropy shares new ways to better engage women in giving as well as insights into developing women leaders in the nonprofit arena and advises women seeking to develop as philanthropic leaders and shape the future for the better Women and Philanthropy explores women s philanthropic endeavors offering a wealth of information on key topics such as how and why women give what it takes to develop a gender sensitive fundraising program how to develop a strategic plan to involve women as leaders and donors and suggestions for working with women of wealth **Changing The World One Child At A Time** Hailey Briggs, Samantha Briggs, Kathy Bazinet, 2017-11-07 The idea of Changing the World can be overwhelming because admittedly the world is a pretty big place but every single action you take that may seem insignificant in your eyes can make a world of difference in someone elses This book is meant to be a guide and an example of how one family became the change they wished to see How finding purpose can create happiness and how as parents we have the opportunity to guide our children towards this There was never one specific moment in our lives when we realized our need to help others it was more a series of events that compiled over time drawing our attention to the issues plaguing the world These moments so small and yet so significant brought us to where we are today Moments like Samantha at the age of eight learning that our young friend living in another country had no juice to drink to help her emotionally recover from a life threatening surgery while our fridge at home was stocked with multiple different flavours Or Hailey at age thirteen coming home from a charity event devastated that children her age were not able to attend school while she loved and valued it so much Or even a young Kathy defending her kid brother from prowling bullies in the schoolyard We hope this book provides you with insights and ideas on how to change the world one child at a time by raising socially conscious children who love their lives *Biennial Report of the Michigan State*
