Grace The Power To Change:

Grace James B. Richards, 2001-12-01 There are many things that we all believe yet do not experience We all want victory yet few find it One of our greatest frustrations is that much of what we believe really doesn't work Too often we spend our lives struggling with the same issues The feeling of defeat can be agonizing It is as if we are caught in a maze of formulas and rules We know there's something missing but we're not sure what In our search for truth we lose our way among the dos and don'ts of religion Christians everywhere have been missing the truth about grace and the result is defeat and frustration In this life changing book Dr James Richards unfolds the mystery of grace You will find the power to overcome instead of repeatedly seeking forgiveness You will conquer personal issues instead of enduring them You will discover God's power of effortless change instead of your best effort to change This reality will transform everything you are experiencing with God *Grace The Power to Change* will bring you into the dimension of Christian living that Jesus called easy and light This is a must read for every believer

From Lesbianism to Grace Michelle Smith, 2009-12 This is Michelle's story It speaks of death and life nature and choice rebellion and salvation From her childhood filled with abandon and abuse Michelle identified with and desired the love of women Her needs and desires led her to illegal drugs imprisonment and a sexual life littered with ex girlfriends and an unfulfilled need for love Despite acknowledging her need for God Michelle continued to backslide into drug trafficking and lesbianism Finally after being convicted and confronted with the fruit of her sins and wrong thinking Michelle capitulated giving all to her Savior Michelle's unwavering childlike dependence upon her heavenly Father will inspire readers to confidently trust the God of the impossible in every area of life Readers will find their faith strengthened and their prayer life enriched *From Lesbianism to Grace The Power of Change*

Unlock Grace Power Chris Cree, 2022-08-24 Passivity is a disease crippling much of the Body of Christ today A great many believers are sitting back passively waiting for God to move on their behalf without realizing they are receiving God's grace in vain Jesus strongly condemned passivity At the same time He often praised those who boldly took the Kingdom of God by force This idea of taking the Kingdom of God by force is a radically different mindset than many believers have today But we see that passionate determination to receive a miracle from Jesus repeated throughout the gospel accounts We do well to learn from those examples in the gospels It is time for believers to unlock grace power by recognizing that the righteous are bold as a lion stepping up and taking the Kingdom of God by force

Saving Power Peter Schmiechen, 2005 Jesus death and resurrection are undeniably central to the Christian faith But how precisely is their significance to be understood Concerned to reinvigorate the church's teaching on the cross the resurrection and salvation the atonement Peter Schmiechen here invites readers to rediscover the wealth of the Christian tradition In *Saving Power* he makes ample use of primary sources to unpack ten distinct theories of atonement welcoming aspects of each rather than championing only one Along the way he demonstrates that while most Christians assume the basic theme of atonement to be sin and forgiveness other powerful themes liberation from oppressive powers reconciliation

in the face of division and the hope of resurrection in the face of death for instance also deserve to be studied and preached Affirming orthodox teaching while offering a positive take on marginal views Saving Power is a crucial resource for anyone who seeks a fuller understanding of Christ's work

A popular commentary on the New Testament Daniel Denison Whedon, 1874 *Seeing Jesus* Ron Larson, 2010-06-28 You can shine with the fullness of Christ's design for your life right now Seeing Jesus doesn't just speak with prophetic hope for what your future will eventually mean it actually identifies your present hang up points and gives clear actions solutions that empower you to step into your future now Seeing Jesus is full of fresh insights revelatory passages and scriptural exposition of authentic fivefold ministry that creates a pathway to the radical now a place of unadulterated discipleship and unimpeded church life With a strong biblical foundation and straightforward sense of your world pastor and author Ron Larson pinpoints the mission and condition of the Church ignites your God given passion for truth and releases the Body of Christ into its intended destiny Easy to digest yet thought provoking direct yet sensitive to the ministry of grace Seeing Jesus is a manual for revolution one that insists on seeing Christ's fullness immediately in the Church It is a blueprint for restoring the shine of God's design to individuals and churches one that gives clarity to leaders unleashes the prophetic heart and restores wounded shepherds and sheep
