Constructing Charisma Edward Berenson, Eva Giloi, 2013 Railroads telegraphs lithographs photographs and mass periodicals the major technological advances of the 19th century seemed to diminish the space separating people from one another creating new and apparently closer albeit highly mediated social relationships Nowhere was this phenomenon more evident than in the relationship between celebrity and fan leader and follower the famous and the unknown By mid century heroes and celebrities constituted a new and powerful social force as innovations in print and visual media made it possible for ordinary people to identify with the famous to feel they knew the hero leader or star to imagine that public figures belonged to their private lives This volume examines the origins and nature of modern mass media and the culture of celebrity and fame they helped to create Crossing disciplines and national boundaries the book focuses on arts celebrities Sarah Bernhardt Byron and Liszt charismatic political figures Napoleon and Wilhelm II famous explorers Stanley and Brazza and celebrated fictional characters Cyrano de Bergerac The Science of Virtue Mark R. McMinn, 2017-08-22 The church and science have drifted apart over the past century Today the church is often deemed irrelevant by those who trust science and science is often deemed irrelevant by those whose primary loyalties are to the church However this book shows that the new science of virtue the field of positive psychology can serve as a bridge point between science and the church and can help renew meaningful conversation In essence positive psychology examines how ordinary people can become happier and more fulfilled Mark McMinn clarifies how positive psychology can complement Christian faith and promote happiness and personal flourishing In addition he shows how the church can help strengthen positive psychology McMinn brings the church's experience and wisdom on six virtues humility forgiveness gratitude grace hope and wisdom into conversation with intriguing scientific findings from positive psychology Each chapter includes a section addressing Christian counselors who seek to promote happiness and fulfillment in others **Grace Through the Seasons** Joyce Heiple, 2021-03-19 *Grace Through the Seasons* was written to help the reader come alive to the ever present gift of God's grace in their lives This is a story of Joyce's life in grace *Grace Through the Seasons* will give you hope when you feel lost The book challenges you to respond from your life's story and reflect on God's gifts to you The book is simple but mighty because the Holy Spirit will work through my story to your story **I See An Angel** Rose Mary Luke, 2022-11-03 This book offers the reader a precise and rare opportunity to explore an extraordinary spiritual experience It is an introduction into a heavenly event that began with the appearance of an Angel Most importantly this is a testament to why the Angel appeared to Rose Mary in the hospital on October 7 2011 What is very distinctive about this book is the author endeavors to convey to the reader a detailed chronicle of this glorious event that she personally witnessed It is unlike any other book previously written because of the

appearance of the Angel and the profound message conveyed to Rose Mary by the Angel through the power of the Holy Spirit The Angel said to her I bring you a message Tell them it is almost time This message contains only six words but the impact of these words will prove to be of great significance for all Humanity The message while a profound warning in its origin is also a message of hope What will God s children interpret the message to mean What does God truly expect from His children Almighty God loves all His children so much that it is beyond our capacity of understanding God desires all His children to learn how to love one another and to live in peace God is trying to get our attention before evil destroys Humanity and the entire world The message is a severe reminder that God loves every Soul immensely but God s people must return this love by proving to Him we all have the moral convictions to turn our back on evil and love and trust in His mercy It was during the process of writing the book that the author was further inspired by the Holy Spirit through the Angel to persevere and reveal what must be said There are thirty three intense chapters Each chapter is a culmination of issues pertinent to why the Angel appeared with a profound message Our Holy Father who is in Heaven watches over His children with infinite love compassion and mercy The overall responsibility of Rose Mary to write this book has become a mission of love for her I See An Angel is the most vital endeavor of the author s life The amazing account of the event that took place by a visit from an Angel merits only the highest degree of recognition to Almighty God All praise and honor is yours Almighty Father forever and ever

Preaching God's Transforming Justice Ronald

J. Allen, Dale P. Andrews, Dawn Ottoni-Wilhelm, 2013-08-16 This is the final volume in a unique new commentary series that helps the preacher identify and reflect on the social implications of the biblical readings in the Revised Common Lectionary. The essays concentrate on the themes of social justice in the weekly texts and how those themes can be teachable moments for preaching social justice in the church. In addition to the lectionary days there are essays for twenty-two Holy Days of Justice including Martin Luther King Day, Earth Day, World AIDS Day, and Children's Sabbath. These days are intended to enlarge the church's awareness of God's call for justice and of the many ways that call comes to the church and world today.

A Family Guide to Spiritual Warfare Kathleen Beckman, 2020-09-11 Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off limits to demonic activity. *Prophecy Fulfilled* Gary

Gallant, 2023-09-03 This book is a daily devotional of the prophecies from the Old Testament fulfilled throughout history. The foretelling from these prophets is historically accurate. Most are fulfilled by Jesus Christ alone. Jesus talks about fulfilling the Law and the prophets. In the Sermon on the Mount, Jesus said that He had not come to abolish the Law or the prophets but to fulfill them. Matthew 5:17. Scripture tells of prophets, their warnings, and their prophecies. Some spoke of good things to come, while others described desperate times. The fact that Jesus fulfilled the Law, the Prophets, and the Writings reminds us that the Word of God is true, steadfast, and eternal. God is active in every moment. Prophets foretold the birth of Jesus and how He would face trials, disappointment, the unbelief of the people, torture, and death on the cross. Scripture tells how Jesus would rise on the third day and ascend into Heaven to sit at the right hand of His Father. Through each word spoken and each action, Jesus showed what would happen. Jesus knew that the plan of His Father was the best. By reading and studying the Word of God, we learn that everything Jesus said would happen is true. Although not all prophecies have been fulfilled yet, Christians know that the day is coming when Jesus will return. *The Reformation Theologians* Carter Lindberg, 2017-09-07
