Gracies Unexpected Journey Story Hope:

Gracie's Unexpected Journey Kerry Billington, Janie Billington, 2015-11-28 Gracie's Unexpected Journey is inspired by the true story of how a family's pet tortoise survived being separated and lost by a deadly tornado and survived 3 years on her own. This fun lighthearted story teaches the true value of friendship and how no matter how lost we are we must never give up hope.

Gracie, 2008 New Jersey 1978 15 year old Gracie Bowen is still reeling from the death in a car accident of her brother Johnny a star player on the high school soccer team. When Gracie defies nearly everyone's wishes by vowing to replace Johnny under the aegis of cantankerous Coach Colasanti it irritates many including her parents and her best friend Jena. Gracie persists and wins the hearts of her most strident detractors surmounting one obstacle after another and racing toward certain victory.

Ed... A Newf's Story Tara Whalen, 2021-05-11 Ed's story will take you on the adventure of a 180 pound black and white Newfoundland dog who was born on a farm in Ellsworth Wisconsin. You'll follow Ed's journey from the farm to the suburbs of Minneapolis and all the crazy antics he becomes involved in along the way. You will come to know his family and some of his newfound friends who are not always what they appear to be. He learns many things about living in a human world and finagles his way through some very sticky situations. He learns what a Christmas tree is for and what it is not for. He learns how to go up and down the stairs very quickly. He learns that peanut butter is the best kind of food. Ed is a little silly and a bit of a curmudgeon but his family all love him almost as much as he loves them. I hope that you will follow Ed on his journey through this book and the books to follow. I hope that you will laugh and maybe learn a few things not only about Newfoundland dogs but about yourself as well. Life is a journey and I hope that you enjoy following Ed and his family on theirs. There will be some ups and downs and some surprises along the way some you expect and some that you won't even see coming. I hope you come to see that Ed is truly one of a kind which is the best kind to be.

Gracie Ryan Warnick, 2007-04-01 Having a stillborn child is one of the most painful experiences that a family will endure. It can be especially difficult for children. Morgan age three was eagerly awaiting the arrival of her new sister Grace but a serious heart defect caused her to die before she was born. This story as told from the perspective of Morgan details in simple terms some of her thoughts and feelings during this experience. This story may be a useful tool in explaining to young children what has happened when a baby dies.
