**Family, Children, and Tourism in China** Mimi Li,Xinran Lehto,2021-12-14 This edited  
volume explores various issues in family tourism studies and complements the dramatic development of this market segment  
in China The book concentrates on family and children tourism and through its chapters hopes to enrich the landscape of  
family tourism in academia The family market in tourism has received increasing attention over past decades Yet academic  
endeavors in this area remain somewhat lacking in depth and scope In addition to imbalanced contributions from authors of  
diverse backgrounds the extant literature suffers from insufficient inclusion of children Relevant studies are largely limited to  
conventional tourism destinations such as beaches and cultural attractions In response to growing academic interest in  
family tourism this book is a compilation of eight chapters that attempt to push the scope and boundaries of existing research  
on family tourism The chapters in this book were originally published as a special issue of the Journal of China Tourism  
Research

**Sport Development in the United States** Peter Smolianov,Dwight Zakus,Joseph Gallo,2014-09-15 The  
development of both elite high performance sport and mass participation grassroots level sport are central concerns for  
governments and sports governing bodies This important new study is the first to closely examine the challenges and  
opportunities for sports development in the United States a global sporting giant with a unique market driven sporting  
landscape Presenting an innovative model of integrated sports development the book explores the inter relationship between  
elite and mass sport across history drawing on comparative international examples from Australia to the former USSR and  
Eastern bloc countries At the heart of the book is an in depth empirical study of three traditional and emerging sports in the  
US tennis soccer and rugby that offer important lessons on the development of elite sport methods for increasing  
participation and the establishment of new sports in new markets No other book has attempted to model sports development  
in the United States in such depth before Therefore this should be essential reading for all students researchers

administrators or policy makers with an interest in sports development sports management sports policy or comparative international sport studies      **Social Deviance** Tim Delaney,2017-06-16 The topic of social deviance is inherently intriguing People in general and college students in particular find the topic of deviant behavior fascinating This can be explained at least in part by a combination of the subject matter itself our own past deviant behaviors and our willingness and desire to evaluate and comment on the behaviors of others While the topic of deviant behavior seems straightforward at the surface the study of social deviance reveals how complicated it really is Although Social Deviance utilizes a textbook style approach in its coverage of deviant behavior this comprehensive straightforward and student friendly book maintains student interest because of the author s use of real life phenomena and current examples Each chapter includes chapter objectives an introductory story a glossary of key terms discussion questions and boxed material The boxed materials include A Closer Look box that zooms in on topics that warrant deeper explanation and a Connecting Social Deviance and Popular Culture box that shows how contemporary forms of popular culture illustrate deviant behavior      Creative Collaborations through Inclusive Theatre and Community Based Learning Lisa A. Kramer,Judy Freedman Fask,2016-12-22 Winner of the 2018 AATE Distinguished Book Award In this book the authors share stories of creative community based collaborations to illustrate how educators can use the arts to expand creative thinking and promote social justice beyond the classroom Using their work in theatre classrooms as a central point examples of innovative inclusive programs designed to inspire learning for people of diverse abilities are presented Through this examination Kramer and Fask reveal the excitement challenges and unexpected surprises that come along with implementing a creative approach to learning      **Exploring the Psychology of Vocational Education: From the Perspective of Literacy Promotion** Jian-Hong Ye,Mei Yen Chen,Yung-Wei Hao,2023-04-14
