Grampian Battlefields:

Grampian Battlefields Peter Marren,1990 **A Brief Guide To British Battlefields** David Clark,2015-02-26 A very readable work of reference offering a survey in chronological order from AD 84 to 1746 of the major battles which have taken place on British soil from the Roman occupation to Culloden the last battle fought on British soil In this way the book can be read as a continuous narrative while each entry also stands alone as a self contained guide The battles are grouped into relevant sections such as the Wars of the Roses the English Civil Wars and the Jacobite Rebellions within broader historical periods Each period is prefaced by a presentation of the nature of warfare and is enhanced by a feature article of specialist interest Every entry includes a narrative of events leading up to the battle a vivid description of the battle itself and an assessment of the long and short term consequences In addition there is useful information for visits including precise identification of the location details of access to and features of each site The book is illustrated throughout with maps and a plate section *Lost Battlefields of Wales* Martin Hackett,2014-07-15 Takes us through the numerous battles in Wales

Battles of the Dark Ages Peter Marren,2006-09-18 A look at what world history might have been like if not for the fall of the Western Roman Empire This is a fascinating exploration of how the history of Europe and indeed the world might have been different if the Western Roman Empire had survived the crises that pulled it apart in the fourth and fifth centuries The author starts by showing how that survival and recovery might plausibly have happened if several relatively minor things had been different He then moves on to discuss a series of scenarios which might have altered the course of subsequent history dramatically Would the survival of a strong Western Empire have assisted the Eastern Byzantine Empire in halting the expansion of Islam in the Middle East and North Africa How would the Western Roman Empire have handled the Viking threat Could they even have exploited the Viking discovery of America and established successful colonies there While necessarily speculative all the scenarios are discussed within the framework of a deep understanding of the major driving forces tensions and trends that shaped European history and help to shed light upon them In so doing they help us understand why things panned out as they did as well as what might have been [The Guide to Mysterious Aberdeen](#) Geoff Holder,2010-11-23 Aberdeen is full of mysteries marvels and strangeness and this book is a comprehensive guide to them all Here you will encounter magic witchcraft folklore and superstitions contemporary urban legends gargoyles and graveyards graverobbers and murderers stone circles and prehistoric burial sites UFOs and freak weather and tales of horror madness humour and dangerous porridge Many forgotten aspects of the city s strange history are here from the disturbing spontaneous human combustion William Wallace s dismembered limbs the man who died of fright after a mock execution and the bodysnatching professors to the downright bizarre a talking statue a wedding celebration which was mistaken for an alien invasion fleet and golf with giant skulls The Guide to Mysterious Aberdeen is the tenth in Geoff Holder s acclaimed series As with the previous volumes it is profusely illustrated with over 100 photographs and draws on both ancient and

Bloody Scottish History: Aberdeen Elma McMenemy, 2014-02-03 Aberdeen has been inhabited for 8 000 years since the first Hunter Gatherers settled on the banks of the River Dee 4 000 years later Bronze Age peoples left their mark on the landscape by constructing a huge number of recumbent stone circles once thought to be places of sacrifice Invaders including Celts Romans and Vikings met violent bloody resistance and the victorious Roman army left thousands of Caledonian corpses for the crows following the Battle of Mons Graupius From the slaughter of Aberdeen Castle s English garrison part of a citizens uprising in support of Robert the Bruce to all out assaults on the city by Kings Royalists and Nazis no century has left the city unmarked Plague wars clan feuds murderers witches covenanters and slavers all have stained the silver city red with blood *Raise the Clans* Martin Hackett, 2014-06-15 The second in Amberley Publishing s wargaming series

Unconventional Warfare from Antiquity to the Present Day Brian Hughes, Fergus Robson, 2017-07-03 This volume addresses the problem of small irregular and unconventional war across time and around the globe The use of non uniformed and often civilian combatants with tactics eschewing pitched battles is the most common form of warfare throughout history and comes in many forms The collection works back in time beginning with the Long War in present day Afghanistan and concluding with warfare in classical Greece Along the way it engages with conflicts as diverse as the American Civil War and regional rebellion in Tudor England Each case study provides unique insights into the practices experiences and discourses that have shaped this ubiquitous type of conflict Readers interested in rebellion and repression cultural and tactical interpretations of conflict civilian strategies in wartime the supposed western way of war and the ways in which participants have framed and related their actions across a variety of spheres will find much of interest in these pages **As Told in the Great Hall** Martin Hackett, 2013-10-15 The second in Amberley Publishing s wargaming series covers the Dark Ages

before Walter Scott PROF BRUCE LENMAN Marvelous account of mountaineering s prehistory as colourful as it is thought provoking THE SCOTSMAN This work tells the story of explorations and ascents in the Scottish Highlands in the days before mountaineering became a popular sport when Jacobites bandits poachers and illicit distillers traditionally used the mountains as sanctuary *Medieval Warfare* Everett U. Crosby,2000-08-14 Homo sapiens homo pugnans and so it has been since the beginning of recorded history In the Middle Ages especially armed conflict and the military life were so much a part of the political and cultural development that a general account of this period is in large measure a description of how men went to war *Aberdeen in 100 Dates* Elma McMenemy,2016-05-02 15th August 1903 On this day Aberdeen Football Club played its first match holding Stenhousemuir to a 1-1 draw 21st April 1943 Luftwaffe bombers dropped 130 bombs on Aberdeen killing ninety seven civilians and twenty seven soldiers 15th August 1963 On this day Henry John Burnett was hanged at Craiginches Prison Aberdeen the last execution to take place in Scotland Experience 100 key dates that shaped Aberdeen s history highlighted its people s genius or silliness and embraced the unexpected Featuring an amazing mix of pivotal social criminal and sporting events this book reveals a past that will fascinate delight and even shock both residents and visitors to this Scottish city *The Fall of the Kingdom of Northumbria* Dr. Clifton Wilcox,2014-12-05 The Battle of Dunnichen is significant since it marked the turning point in the history of the Picts and marked their independence from the Kingdom of Northumbria Not only is this possibly the best documented event in the history of the Picts but it also allowed them to overthrow the Northumbrian rule and the dark shadow it cast over all northern peoples Without the leadership of King Bridei and his courageous followers Scotland as we know it may not have existed The battle also helped to define the Scottish English border that remains today a border that could have been pushed further north by the Northumbrians if they had not been stopped **Blood and Granite** Norman Adams,2013-02-21 Blood and Granite is a chronicle of the most notorious homicides committed in Aberdeen over the last hundred years Written by Norman Adams a journalist who reported on many of the chilling crimes he now recalls so vividly it is compelling reading for those who are too young to remember and those who cannot forget All are human tragedies from the dark side of life including The grudge that ended in death in an East End pub when butcher James Harrow brutally stabbed two workmates in 1901 The grisly discovery of a woman s arm on the Torry shore in 1945 that signalled the start of a mystery which to this day remains unsolved The tragic love affair that led to the gallows in 1963 the first hanging in Aberdeen for 106 years The double life of brilliant scientist Dr Brenda Page of Aberdeen University battered to death in her flat in 1978 Her murder remains unsolved The bar **The Killing Fields of Scotland** R.J.M Pugh,2013-01-19 Most people are familiar with references to Scottish battles such as Bannockburn and Flodden but know little if anything about those events Rugby and soccer fans outside Scotland may wonder at the sign 1314 held up by Scottish fans and not know that it is the date of the Battle of Bannockburn when an English king was defeated on Scottish soil The battle is also commemorated in Scotlands unofficial national anthem The Flower of Scotland Battles fought

on Scottish soil include those of the Scottish Wars of Independence those occasioned by the English Civil Wars and the Jacobite Rebellions This book tells the stories of these battles and many others fought in Scotland from the Roman victory at Mons Graupius in AD 83 to the defeat of Bonnie Prince Charlie at Culloden Moor in 1746 *On The Trail of the Real Macbeth* Cameron Taylor,2015-10-01 Macbeth was not the monstrous caricature created by Shakespeare he was a real man who was born in Moray part of the Kingdom of Alba in the early 11th century From early childhood Macbeth fought real life treachery to protect his birthright to the throne and ruled successfully from 1040 to 1057 Travel what is now Scotland with a touring itinerary as you follow On the Trail of the Real Macbeth King of Alba **1066** Peter Marren,2004-02-19 The real story behind the best known and least understood battle in British history If ever there was a year of destiny for the British Isles 1066 must have a strong claim King Harold faced invasion not just from William and the Normans across the English Channel but from King Harald Hardrada of Norway Before he fought the Normans at Hastings in October he had fought at York and neighboring Stamford Bridge in September It was a year of dramatic changes of fortune heroic marches assaults by land and sea This concise history with maps included tells the full story **Aberdeen Before 1800** E. Patricia Dennison,David Ditchburn,Michael Lynch,2002 This volume the earlier of the two volume official History of Aberdeen provides a comprehensive picture of the development of the two historic burghs of Old Aberdeen and New Aberdeen over their first seven centuries from 1100 to 1800 As early as the 14th century Aberdeen was recognized as one of the four great towns of Scotland Early settlement the growing townscape and social change over the centuries are all traced Aberdeen s contacts with the sea and other towns overseas and its economy and politics both local and national are assessed And Aberdonians themselves the vital forces behind the history of the two burghs are highlighted their faith and culture homes and health and their education and pastimes are all rediscovered
