Ground Zero Mosque The Confessions Of A Western Middle Eastern Muslim:

Ground Zero Mosque Waleed Naïf, 2011 *Al-Qaeda and Sacrifice* Melissa Finn, 2012-09-06 This is a pioneering critical intervention into the study of terrorism language and political thought Challenging the commonly held idea that suicide bombings are motivated by a nihilistic hatred of life this book argues that it is more helpful to examine such violent agency through the concept of sacrifice Through a unique look at the way sacrifice is used in the Arabic language this book offers penetrating insights into jihadi thought How does it compare to western political theorists such as Machiavelli and von Clausewitz Hannah Arendt Julia Kristeva and Judith Butler Concluding that the heedless certainty of such violence undermines attempts to redress political grievances *Al Qaeda and Sacrifice* goes beyond simplistic or apologetic explanations of terrorism and allows the authentic jihadi voice to speak for itself **The Boston Globe Index**, 1994 **The Butterfly Mosque** G. Willow Wilson, 2010-06-01 In this satisfying lyrical memoir an American woman discovers her true faith and true love by converting to Islam and moving to Egypt Publishers Weekly Raised in Boulder Colorado G Willow Wilson moved to Egypt and converted to Islam shortly after college Having written extensively on modern religion and the Middle East in publications such as *The Atlantic Monthly* and *The New York Times Magazine* Wilson now shares her remarkable story of finding faith falling in love and marrying into a traditional Islamic family in this intelligently written and passionately rendered memoir *The Seattle Times* 27 Best Books of 2010 Despite her atheist upbringing Willow always felt a connection to god Around the time of 9 11 she took an Islamic Studies course at Boston University and found the teachings of the Quran astounding comforting and profoundly transformative She decided to risk everything to convert to Islam embarking on a journey across continents and into an uncertain future Settling in Cairo where she taught English she soon met and fell in love with Omar a passionate young man with a mild resentment of the Western influences in his homeland Torn between the secular West and Muslim East Willow with her shock of red hair shaky Arabic and Western candor struggled to forge a third culture that might accommodate her values as well as her friends and family on both sides of the divide Part travelogue love story and memoir Wilson has written one of the most beautiful and believable narratives about finding closeness with God *The Denver Post* *Moving the Mountain* Imam Feisal Abdul Rauf, 2013-03-05 The Muslim leader best known for his contributions to the establishment of an interfaith community center near Manhattan s Ground Zero offers insight into his progressive beliefs and advocacy of tolerance and equal rights *Standing Alone* Asra Nomani, 2016-06-21 As President Bush is preparing to invade Iraq Wall Street Journal correspondent Asra Nomani embarks on a dangerous journey from Middle America to the Middle East to join more than two million fellow Muslims on the hajj the pilgrimage to Mecca required of all Muslims once in their lifetime Mecca is Islam s most sacred city and strictly off limits to non Muslims On a journey perilous enough for any American reporter Nomani is determined to take along her infant son Shibli living proof that she an unmarried Muslim woman is guilty of zina or illegal sex If she is found out the puritanical Islamic law of the Wahabbis in

Saudi Arabia may mete out terrifying punishment But Nomani discovers she is not alone She is following in the four thousand year old footsteps of another single mother Hajar known in the West as Hagar the original pilgrim to Mecca and mother of the Islamic nation Each day of her hajj evokes for Nomani the history of a different Muslim matriarch Eve from whom she learns about sin and redemption Hajar the single mother abandoned in the desert who teaches her about courage Khadijah the first benefactor of Islam and trailblazer for a Muslim woman s right to self determination and Aisha the favorite wife of the Prophet Muhammad and Islam s first female theologian Inspired by these heroic Muslim women Nomani returns to America to confront the sexism and intolerance in her local mosque and to fight for the rights of modern Muslim women who are tired of standing alone against the repressive rules and regulations imposed by reactionary fundamentalists Nomani shows how many of the freedoms enjoyed centuries ago have been erased by the conservative brand of Islam practiced today giving the West a false image of Muslim women as veiled and isolated from the world Standing Alone in Mecca is a personal narrative relating the modern day lives of the author and other Muslim women to the lives of those who came before bringing the changing face of women in Islam into focus through the unique lens of the hajj Interweaving reportage political analysis cultural history and spiritual travelogue this is a modern woman s jihad offering for Westerners a never before seen look inside the heart of Islam and the emerging role of Muslim women

Border Crossings Mohammad Chowdhury, 2021-06-10

His marginalisation in dual cultures ascribed to him allows him a brilliant birds eye view of both which he employs in his bid to untangle the cultural mindsets he comes across Muslim News Offers invaluable insights into how a modern cosmopolitan navigates the complex and delicate contours of faith identity and belonging in an otherwise globally interconnected world Ekow Nelson reimagining Whether negotiating the mind games of the Israeli intelligence services or performing ablutions in a London bathroom Mohammad Chowdhury s life as a British Muslim travelling the world brings daily challenges Border Crossings is the story of Chowdhury s journey gripping in some parts and shame inducing in others as he describes a lifelong struggle to reconcile the British Asian and Muslim sides of his identity constantly dealing with the mistrust of Westerners alongside the hypocrisies of his own community and their misunderstanding of Islam Chowdhury s story echoes the experience of thousands of Western Muslims who since 9 11 have been subjected to a constant barrage of questions that cast doubt over the very goodness of their faith It is the story of a man who cries when England win the Ashes yet still finds himself screaming in the face of racism and religious bigotry This timely book powerfully rejects the poisonous narrative that Muslims can no longer be trusted as honest citizens of the West
