Koppel, 2019-01-10 This volume contributes to closing the unfortunate divide that still exists today between the so called practical and classical disciplines in seminary curricula It builds a bridge across a chasm that should not exist The chapters reflect working on the bridge through a collegial model of sustained conversation out of the contributors different disciplines within Bible and Practical Theology The authors in this volume desire to break out of academic silos that too often lead to fragmented student learning and disjointed ministry practices in the hope that the imaginations of students scholars and ministers may be stimulated in the service of holistic ministry The book is divided into two sections I Theoretical Frameworks

in which the authors invite the reader to look more broadly at issues of method context geography and culture as biblical texts and practical theology are brought into dialog and II Reading Biblical Texts which explores biblical books or texts while wearing the lenses of practical theology to mine the intersections and complexities of the encounter across disciplines Whether singly or jointly authored these essays model a dynamic interactive reading of human situations and biblical texts in order to reveal their multivalent complexities

### **Compassionate Intercultural Care Practices for Coping with Grief**

James Japheth Sudarshan Harrichand, 2024-03-31 As humans we all express our grief differently Acknowledging this truth Dr James Harrichand examines Old Testament accounts of grief and mourning alongside the experiences of marginalized Guyanese and Vietnamese immigrant communities in Canada He explores both biblical and pastoral theology through an anthropological lens bridging the horizons of Scripture and culture in a hermeneutically and pastorally sensitive manner Dr Harrichand's focus on prosaic prayers in the Old Testament fills a significant gap in the scholarship but this book is also significant for its immense practicality sensitizing readers to grief's varied expressions and equipping culturally intelligent pastoral caregivers He presents five compassionate intercultural care practices for coping with grief grounding each in the living hope of the redemptive work of Jesus Christ the one who bore our griefs and carries our sorrows

**Body Connections** Michael S. Koppel, 2021-08-03 A new articulation of pastoral theology care and counseling Too often we think and teach in ways that reinforce a mind body split This can lead people to self alienation impeding holistic healthy relationships between people God and each other Body Connections takes a different approach teaching us to see the connections between our embodied experience and faithful spiritual care Author Michael Koppel focuses on the human body and its relationship to faith and spiritual care He engages religious texts and traditions as well as scientific insights offering accessible theology and spiritual practices for healing and care of the body Our bodies are amazing resources but we are too often unaware of their power or unable to harness it in helpful ways for our own good This remarkable book empowers pastors counselors chaplains seminarians and caregivers to understand and provide the ministry of care in an entirely new life giving way This book is highly useful for individuals and groups It is for clergy chaplains spiritual directors seminarians clinical educators lay people in churches and those who are institutionally unaffiliated but

Mayfield, 2022-01-04 Reframing religious diversity through the stories of Cain Ishmael and Esau The way we read the Bible matters for the way we engage the pluralistic world around us For instance if we understand the book of Genesis as narrowly focused on primary characters like Abraham Isaac Jacob and Joseph we ll miss the larger story and end up with the impression that God only cares about those who are chosen In fact the narratives of marginalized biblical characters reveal that God protects and provides for them also What might this mean for Christians living in a world of religious difference today In Father Abraham s Many Children Tyler Mayfield reflects on the stories of three of the most significant other brothers in the Bible namely on God s continued engagement with Cain after he murders Abel Ishmael s circumcision as a sign of God s covenant and Esau s reconciliation with Jacob From these stories Mayfield draws out a more

generous theology of religious diversity so that Christians might be better equipped to authentically love their neighbors of multiple faith traditions as God loves and has always loved all humanity

**Psalms, Books 2?3** Denise Dombkowski Hopkins, 2016-11-17 Many readers are convinced that the Psalms are hopelessly masculine especially given that seventy three of the 150 psalms begin with headings linking them to King David In this volume Denise Dombkowski Hopkins sets stories about women in the Hebrew Bible alongside Psalms 42 89 as intertexts for interpretation The stories of women such as Hannah Rahab Tamar Bathsheba Susanna Judith Shiphrah Puah and the Levite s concubine can generate a different set of associations for psalm metaphors than have traditionally been put forward These different associations can give the reader different views of the dynamics of power gender politics religion family and economics in ancient Israel and in our lives today that might help to name and transform the brokenness of our world From the Wisdom Commentary series Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format to ministers preachers teachers scholars and students will aid all readers in their advancement toward God s vision of dignity equality and justice for all The aim of this commentary is to provide feminist interpretation of Scripture in serious scholarly engagement with the whole text not only those texts that explicitly mention women A central concern is the world in front of the text that is how the text is heard and appropriated by women At the same time this commentary aims to be faithful to the ancient text to explicate the world

behind the text where appropriate and not impose contemporary questions onto the ancient texts The commentary addresses not only issues of gender which are primary in this project but also those of power authority ethnicity racism and classism which all intersect Each volume incorporates diverse voices and differing interpretations from different parts of the world showing the importance of social location in the process of interpretation and that there is no single definitive feminist interpretation of a text     Christ on the Psych Ward David Finnegan-Hosey,2018-03 Applicable not just to those with mental health issues but for churches and the church at large     God Help Us! Ballard,Stephen R. Holmes,2006 A New York Review Books Original Whether you call her a coldhearted grifter or the soul of modern capitalism there s no question that

Aime is a killer and a more than professional one. Now she's set her eyes on a backwater burg where while posing as an innocent albeit drop dead gorgeous newcomer to town she means to sniff out old grudges and engineer new opportunities deftly playing different people and different interests against each other the better as always to make a killing. But then something snaps the master manipulator falls prey to a pure and wayward passion. Aime has become the avenging angel of her own nihilism exacting the destruction of a whole society of destroyers. An unholy original Jean Patrick Manchette transformed the modern detective novel into a weapon of gleeful satire and anarchic fun. In *Fatale* he mixes equal measures of farce mayhem and madness to prepare a rare literary cocktail that packs a devastating punch.

Youth Ministry After the Pandemic Kevin Muriithi Ndereba, 2025-07-25 Youth faith formation usually takes the form of a narrow privatized or spiritualized perspective. Since young people are a critical demographic in the Global South and Africa more specifically their faith formation must shape them to engage public life so as to enhance human flourishing. While much of the literature on youth and theology is Western in orientation this book makes use of scholarly sources in African and Global Christianity so as to shape youth work in the Global South. It shows that young people can help guide the African church to fulfill both the Great Commission and the Great Commandment and so achieve its spiritual and prophetic mandate. It engages with youth culture emerging non religious identities digital church or ecclesiology ecotheology and climate change and economic justice.
