Three Questions of Formative Judaism Jacob Neusner, 2021-10-01 The academic study of Judaism requires a systematic inquiry into the history literature and religion and eventually the theology as revealed in the historical documents themselves Under this premise Three Questions of Formative Judaism encounters the canonical writings of Judaism in the context of their creation at a certain time and place How something is said thus becomes as important as what is said Bringing nearly fifty years of research to bear on these fundamental questions Jacob Neusner challenges his readers to face the difficult often unasked or neglected questions about the nature background and purposes of Rabbinic Judaism and rewards them with an enriched understanding and a stronger foundation for tackling the even more elusive questions concerning the theology of formative Judaism This publication has also been published in paperback please click here for details

The Origin of the Prologue to St. John's Gospel J. Rendel (James Rendel) Harris, 2025-05-22 The Origin of the Prologue to St John s Gospel penned by J Rendel Harris and originally published in 1917 delves into the historical and theological underpinnings of one of the most profound passages in the New Testament Harris meticulously explores the possible sources and influences that shaped the prologue offering insights into its meaning and significance within the broader context of early Christian thought This scholarly work provides a detailed examination of the prologue s language structure and theological themes making it an invaluable resource for theologians biblical scholars and anyone interested in the historical development of Christian doctrine Harris s rigorous analysis sheds light on the intellectual and spiritual environment in which the Gospel of John was written offering a deeper understanding of its enduring message This edition preserves the original text allowing readers to engage directly with Harris s insightful arguments and conclusions This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

How Not to Study Judaism:

Parables, rabbinic narratives, rabbis' biographies, rabbis' disputes Jacob Neusner, 2004 In How Not to Study Judaism Examples and Counter Examples Jacob Neusner presents a collection of essays and book reviews that identify the wrong way of conducting the academic study of Judaism Pointing readers toward the right way to pursue the academic study of Judaism

Nuesner s focus is on the study of the literature of Judaism and the culture of the Jewish community The Documentary History of Judaism and Its Recent Interpreters Jacob Neusner,2012-07-10 The result for the history of Judaism of a documentary reading of the Rabbinic canonical sources illustrates the working of that hypothesis It is the first major outcome of that hypothesis but there are other implications and a variety of new problems emerge from time to time as the work proceeds In the recent past Neusner has continued to explore special problems of the documentary hypothesis of the Rabbinic canon At the same time Neusner notes others join in the discussion that have produced important and ambitious analyses of the thesis and its implications Here Neuser has collected some of the more ambitious ventures into the hypothesis and its current recapitulations Neusner begins with the article written by Professor William Scott Green for the Encyclopaedia Judaica second edition as Green places the documentary hypothesis into the context of Neusner s entire oeuvre Neuser then reproduces what he regards as the single most successful venture of the documentary hypothesis contrasting between the Mishnah s and the Talmuds programs for the social order of Israel the doctrines of economics politics and philosophy set forth in those documents respectively Then come the two foci of discourse Halakhah or normative law and Aggadah or normative theology Professors Bernard Jackson of the University of Manchester England and Mayer Gruber of Ben Gurion University of the Negev treat the Halakhic program that Neusner has devised and Kevin Edgecomb of the University of California Berkeley has produced a remarkable summary of the theological system Neusner discerns in the Aggadic documents Neusner concludes with a review of a book by a critic of the documentary hypothesis *Society for Old Testament Study Booklist 2003* George J. Brooke,2003-03-06 The Book List provides short reviews of up to 500 books a year It includes publications not only on the Old Testament directly but also on many related areas including archaeology epigraphy Hebrew and related Semitic languages especially Northwest Semitic relevant ancient Near Eastern history and literature the Hellenistic world early Judaism and social anthropology The main value of the Book List is its comprehensiveness and its immediacy in that it is usually among the first periodicals to review a book **A Study on the Influence of Ancient Chinese Cultural Classics Abroad in the Twentieth Century** Xiping Zhang,2022-03-28 This book presents an extensive literary survey of the influence of ancient Chinese cultural classics around the globe highlighting a mammoth research project involving over forty countries or regions and more than twenty languages As the book reveals ancient Chinese culture was introduced to East Asian countries or regions very early on furthermore after the late Ming Dynasty Chinese knowhow and ideas increasingly made inroads into the West In particular the translation of and research on Chinese classics around the world have enabled Chinese culture to take root and blossom on an unprecedented scale In addition to offering a valuable resource for readers interested in culture the social sciences and philosophy the book blazes new trails for the study of ancient Chinese culture *The Modern Language Review* John George Robertson,Charles Jasper Sisson,1926 Each number includes the section Reviews Bulletin of the American Association of Teachers of Italian ,1926
