The Straight Path & The Guarded Heights Charles Wadsworth Camp,2021-05-07 *The Guarded Heights* is the story of George Morton as he struggles to make it big and rise from his humble background *The Straight Path* narrates the story of Freddy as he struggles to accommodate the demands of his visiting but overbearing mother Excerpt George Morton never could be certain when he first conceived the preposterous idea that Sylvia Planter ought to belong to him The full realization at any rate came all at once unexpectedly destroying his dreary outlook urging him to fantastic heights and for that matter to rather curious depths It was altogether a year of violent change After a precarious survival of a rural education he had done his best to save his father's livery business which cheap automobiles had persistently undermined He liked that

for he had spent his vacations all his spare hours indeed at the stable or on the road so that by the time the crash came he knew more of horses and rode better than any hunting polo playing gentleman he had ever seen about that rich countryside
