

The BBC logo is located in the top left corner, consisting of the letters 'B', 'B', and 'C' in white on a blue square background.

BBC

The background of the entire image is a photograph of a snowy, icy landscape. In the foreground, a man (Harry) is shown in profile, wearing a red beanie and goggles, smiling. In the background, several people are walking across a vast, icy field under a pale sky.

HARRY'S

ARCTIC HEROES

Harrys Arctic Heroes

Martin W. Sandler

Harrys Arctic Heroes:

America's Heroes James H. Willbanks, 2011-03-11 This book features the stories of 200 heroic individuals awarded the Medal of Honor for their distinguished military service while fighting for their country from the Civil War to the conflicts in Iraq and Afghanistan America's Heroes Medal of Honor Recipients from the Civil War to Afghanistan pays tribute to Americans who have demonstrated uncommon valor in the face of great danger The Medal of Honor recipients featured in this book all acted heroically to earn this highly coveted award many of them by risking or sacrificing their lives to save the lives of others The stories of these individuals chosen to reflect the wide diversity of ethnic and cultural backgrounds branches of service and conflicts of the recipients will broaden readers understanding and appreciation of the Medal of Honor and the distinguished Americans who have received it In addition to the gripping stories of these heroic Americans this unique encyclopedia includes an introduction that chronicles the evolution in the award's significance The Medal of Honor has changed greatly over the last 150 years not only in the design of the physical decoration itself but also in terms of the qualifying criteria for the award's recipients List of Books for Elementary School Libraries of South Carolina ,1959

Exploring the Polar Regions Harry S. Anderson, 2009 Starting with the final expedition of John Franklin 19th century England's most honored and respected Arctic explorer the opening of the polar regions resulted in the establishment of the multitudes of research stations that produce observations measurements and data crucial to all areas of scientific inquiry The first mariners to venture south signed on for voyages that lasted for years with no guarantee they would return If they did come back from the frigid zones it was with their health permanently damaged by bouts of scurvy and months of inadequate diet Yet there was never a shortage of eager courageous men willing to replace the unfit Exploring the Polar Regions Revised Edition tells the story of polar exploration and the men who wittingly put themselves in danger to take on the unknown frozen straits Coverage of this title includes the mythical stories of a Great Southern Continent and the numerous Spanish French and British explorers who searched for it a description of the race to the North Pole including various explorers theories on how to achieve this goal Roald Amundsen's and Robert Scott's race to the South Pole in 1911 and 1912 how developments in equipment machines and communications changed exploration and Ernest Shackleton's epic voyage between 1914 and 1916 to Antarctica Aerial exploration of Antarctica *The American Shorthorn Herd Book* ,1903 **The New York Times Book Review Index, 1896-1970: Category index** ,1973 **Congressional Record** United States.

Congress, 1970 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824 the Register of Debates in Congress 1824-1837 and the Congressional Globe 1833-1873 A Companion to Dwight D. Eisenhower Chester J. Pach, 2017-04-10 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and

complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history New York Times Saturday Review of Books and Art ,1973 Lost to Time Martin W. Sandler,2010-12-07 Stories that history forgot but readers will remember The only thing new in the world said Harry S Truman is the history you dont know In this fresh and fascinating collection of historical vignettes Martin W Sandler author of Resolute and Atlantic Ocean restores to memory important events people and developments that have been lost to time Though barely known today these are major historical stories from Ziryab an eighth century black slave whose influence on music cuisine fashion and manners still reverberates to Cahokia a 12th century city north of the Rio Grande which at its zenith contained a population estimated to have been as high as 40 000 more than any contemporary European city to the worst peacetime maritime disaster ever the explosion and sinking of the Sultana on the Mississippi in 1865 These tales are far from trivia they illuminate little known American and foreign achievements ingenuity heroics blunders and tragedies that changed the course of history and resonate today **The Cold War** Spencer C. Tucker,2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material Winter Adam Gopnik,2011 Collects the thoughts and perspectives of artists poets composers writers explorers and scientists on the season of winter from reflections on snow and God to the future of northern culture

Literature Connections to American History K6 Lynda G. Adamson, 1997-09-15 Identifying thousands of historical fiction novels biographies history trade books CD ROMs and videotapes this book helps you locate resources on American history for students Each book presents information in two sections In the first part titles are listed according to grade levels within eras and further organized according to product type The books cover American history from North America Before 1600 and The American Colonies 1600 1774 to The Mid Twentieth Century 1946 1975 and Since 1975 The second section has annotated bibliographies that describe each title and includes publication information and awards won The focus is on books published since 1990 and all have received at least one favorable review Some books with more illustration than text will be valuable for enticing slow or reticent readers An index helps users find resources by author title or biographical subject

The National Stockman and Farmer ,1922 *National Stockman and Farmer* ,1922 The United States Catalog Mary Burnham, Carol Hurd, 1928 Great Round World ,1905 **The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces** ,1909 **Bulletin of the Atomic Scientists** ,1985-08 **USSR.** ,1962 Oak Peter Young, 2013-02-15 Botanical a new series from Reaktion is the first to integrate horticultural writing with a broader account of the cultural and social impact of plants Oak one of the first two books in the series narrates the biography of the tree that since time immemorial has been a symbol of loyalty strength generosity and renewal Peter Young explores how the oak native to the northern hemisphere and found in locations as diverse as the Americas and tropical Asia has played an important role in state building art folk tales poems and songs Starting with the pagan societies that venerated the oak Young examines how the tree was used in other religions revealing how it was believed to be a gateway between worlds in Celtic mythology and later became sacred to Thor in Norse mythology He follows the oak as it was adopted by many Western European countries as a national symbol including England France and Germany The United States Congress designated the oak as America s national tree in 2004 and it is the state tree of Iowa Connecticut Illinois Maryland New Jersey and Georgia Individual oak trees have also gained historical importance such as the Charter Oak in Hartford Connecticut which became a symbol of American independence In addition to tracing the history of the tree itself Young investigates oak as a wood used to make furniture bridges wine casks homes ships weapons and even the electric chair and he describes how the tree has been used as a food source its fruit the acorn was eaten in ancient Greece ancient Iberia and Korea and it was a traditional food of Native Americans Packed with information and beautiful illustrations Oak tells the fascinating tale of this stately durable member of the natural world
