Results concerning cultural differences in management and organizational skills point to some interesting findings. First, it was noted that individuals from more Latin American countries showed more positive attitudes toward the organization, and consequently showed more positive attitudes toward their immediate supervisors.

Employment in health is projected to grow more than additional half percent each year, according to the projections in *Healthcare in America*.¹ The Bureau of Labor Statistics projects that, from 2000 to 2010, the number of health care workers will increase by 1.5 million, or 15 percent.
