Encyclopedia of American Short

Films, 1926-1959 Graham Webb, 2020-07-27 Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy musical, revues, sports, nature or popular vaudeville acts. With the advent of sound on film in the mid to late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s. **The Thirteenth Virgin Film Guide**, 2005 The critically acclaimed Virgin Film Guide makes every film count by providing more information on the films that matter from the 1930s to the present day. It offers fuller credits, longer synopses and reviews, plus comprehensive Oscars information, alternative titles, a complete star rating and a comprehensive index of directors. It also draws on the expertise of TV Guide's entire team of film experts, each skilled in a different kind of film, from classic Hollywood musicals to low budget cult favourites, giving the reader more informed and opinionated critique than other books of this kind.

Ghosts Of The Missing

Kathleen Donohoe, 2020-02-11 In the vein of *The Lovely Bones* and *The Little Friend*, *Ghosts of the Missing* follows the mysterious disappearance of a twelve year old girl during a town parade and the reverberations of this tragedy throughout the town. On Saturday October 28 1995 a girl vanished. She was not a child particularly prized in town. When questioned by reporters, those who'd known Rowan described her as quiet and loner and shy and even awkward. Words for pity. Culleton, New York has a long history of writers, of artists and of unsolved mysteries. It's where Adair grew up before she moved to Brooklyn to try to make it as an artist. But after years away from her hometown and little to show for it, Adair decides to return. She moves back in to Moye House, the old mansion and current writer's retreat imbued with her family's legacy. Ciaran is a writer staying at Moye House in the hopes of finally solving the mystery of what happened to Rowan Kinnane, his sister and Adair's childhood best friend. As the two begin investigating, secrets long buried rise to the surface, complicating their sense of themselves and their understanding of what happened on that fateful day. With her knack for capturing heartbreaking moments with a gripping simplicity, *Village Voice* Kathleen Donohoe lures us into a haunting world of secrets and obsessions and shows just how far people will go in search of the truth. **The Ghost and the Dead Man's Library** Alice Kimberly, Cleo Coyle, 2006-09-05 Bookshop owner Penelope Thornton McClure and her ghostly companion must solve the case of a literary killer in this *Haunted Bookshop* mystery from Cleo Coyle writing as Alice Kimberly.
