

Gender Swap Spell

To cast the gender change spell, the sorcerer must first gather the following ingredients:

- A handful of crushed lavender flowers
- A sprig of rosemary
- A small vial of purified water
- A strand of the target's hair
- A piece of moonstone
- Once all the ingredients have been gathered, the sorcerer must perform the following steps:

In a small cauldron, mix the crushed lavender flowers and rosemary sprig with the purified water.

Hold the piece of moonstone in one hand and the strand of hair in the other.

Recite the incantation: "By the power of the moon and the magic of the earth, I call upon the forces of change to transform the body and soul of this one. Let the old give way to the new, and let the new embrace the true self within."

Hold the cauldron over a flame and slowly heat the mixture until it begins to steam.

Drop the strand of hair into the mixture and continue to stir until it dissolves completely.

Once the mixture has turned a deep purple color, it is ready to be used.

To cast the spell on the target, the sorcerer must simply sprinkle the mixture over the target's head while reciting the incantation. The transformation will take place immediately, and the target will become the gender of their true self.
