there are also infinite complexities for peace and love This text serves as a supporting reference to teach the most effective and life changing fundamentals to allow the whole of humanity to not just survive but thrive The path this text will open for many is not one that is accepted by all but it is one that is open to all It is also not the only path in life Many traditions and practices both secular and spiritual exists that can very much achieve the same goal of Ceremonial Magick If you gather nothing else from this text understand that your life is yours and the assertion of this text is that you should be wholly yourself no matter the path you take Do what benefits you but bring good to all as you do so

The Greater Magickal Angels Damon Brand,2015-04-23 The Greater Magickal Angels follows on from the popular Magickal Angels but is a complete magickal system in its own right You do not need to be familiar with the first book to get results Magickal Angels introduced readers to 24 angels but The Greater Magickal Angels covers the powers of 48 angels that were not revealed in the first book You can start working with the Greater Angels immediately and everything you need is included here The angels in this book can help you to develop and attract love find harmony increase fame find strength break through adversity sleep well heal yourself and obtain clear thought There are angelic powers that enable you to invent discover new methods improve your business and find new supporters You can free yourself of enemies and increase the loyalty of friends and lovers The power to improve prosperity win awards write well be stable reduce anxiety learn easily understand in new ways and dominate strong personalities is at your hand The angels can help you to excite new passion discover more about yourself and see the past present and future with clarity Whether you are seeking fame money wisdom healing or peace the angelic powers can help you to improve your life in the ways that matter to you most Although the same ritual technique from Magickal Angels is repeated here the powers revealed are sometimes more subtle and precise as well as being richer and more complex That is why I refer to these as the greater angels It doesn't mean that they are necessarily better but when used wisely they can have more far reaching and long lasting effects Often getting a magickal result requires a subtle cunning and well planned approach that occurs in stages The angels in this book will help with your greater plans This magick works regardless of your religion or beliefs Hebrew words are used along with Latin Psalms because these are keys to angel magick This does not make the magick Jewish or Christian Aspects of those religious structures have been incorporated into the magick because they are shortcuts to angelic contact This magick is used by people of many religious backgrounds and by atheists and by those who just sense there is something magickal going on out there The angels will respond to any strong desire and help you bring about change in the world This book contains secrets that enable angelic contact to occur rapidly You will discover A method for empowering talismans and sigils Information on how to choose the right angel Methods for communicating more directly with angels Performing angel magick for other people If you are serious about angelic work this book can take your efforts to a much higher level NOTE If you own Magickal Angels the complete ritual is repeated here so that new readers have access to that material Be aware that when you buy this book you are buying
