15 Characteristics of Effective Pastors Kevin W. Mannoia,Larry Walkemeyer,2007-09-04 The church finds itself in a period of great diversification and multiple expressions In the midst of great change we have become confused about what really makes for healthy and authentic pastoral leadership What are the basic and common characteristics necessary for pastors to be effective How can lay people understand the pastoral call more fully and partner better with pastors for the health of their church Here Mannoia and Walkemeyer examine the foundations of pastoral effectiveness and bring together nine experienced pastoral leaders to discuss the basic characteristics that exist in effective pastors Regardless of context or personality ineffectiveness in pastors and subsequent ill health in churches is often not the result of a lack of calling but instead is the result of misappropriated efforts to find success Let s help those who are called to be good stewards of their call And let s help churches have a chance to be healthy under the leadership of effective pastors *Winning the Real Battle at Church: What Holds Your Church Together During Troubled Times* David & Diane Noble,2008 **Beyond Megachurch**

Becoming a Contagious Church Mark Mittelberg,2010-12-21 Discover a Proven Approach to Raising Your Church s Evangelistic TemperatureEvangelism It s one of the highest values in the church So why do so few churches put real effort into it Maybe it s because we don t understand the evangelistic potential of the church well enough to get excited about it Becoming a Contagious Church will change that Revised and updated this streamlined edition dispels outdated

preconceptions and reveals evangelism as it really can be. What's more, it walks you through a 6 Stage Process and includes a brand new 6 Stage Process assessment tool for taking your church beyond mere talk to infectious energy, action, and lasting commitment. This book is not optional; it's required reading for all who are serious about reaching their communities for Christ. Ignoring this book would be pastoral malpractice. Lee Strobel, author of *The Case for the Real Jesus*: You can't read this book without having your heart stirred to share the gospel. It's contagious. Rick Warren, author of *The Purpose Driven Church* and *The Purpose Driven Life*: Entire leadership teams and outreach committees should read and discuss this powerful book and then put its principles into action. John Maxwell, author of *Developing Leaders Around You*: I can't emphasize how important books like this one are for the future of the church. It demythologizes the fear and awkwardness of evangelism into something biblical, tangible, and practical for every person. Dan Kimball, author of *They Like Jesus but Not the Church*: *Becoming a Contagious Church* is hands down the most comprehensive work on church evangelism I've ever read. Its principles can turn inward-looking church attenders into outward-looking church evangelists. Craig Groeschel, senior pastor, LifeChurch.tv.
