## **Mago S Dream Mago S Dream:**

**Mago's Dream** Ilchi Lee, 2013-10-29 People have forgotten how to breathe out Caught in a materialistic matrix humanity has become trapped in an unsustainable pattern of living breathing in until we are ready to implode The Earth is laboring under the burden The time to exhale has arrived You are an extraordinary person because you are living during an extraordinary time in history Humanity has reached a critical juncture in its collective development and many critical issues now demanding our immediate attention global warming population growth culture clash and more In Mago s Dream you will learn to connect to the essence of Mago the nurturing spirit of the Earth In the process you will feel that her essence is your essence and that through her you can connect to your own highest self In the book Ilchi Lee contends that the earth itself should become a central tenant of our human identity By recognizing ourselves as Earth humans we can learn to transcend the cultural and national identities that keep us from living as a single united humanity And by placing the Earth herself at the center of our common value system we can learn to live in balance with the source of life itself **Dreams in Early**

**Modern England** Janine Riviere, 2017-04-28 Dreams in Early Modern England shows the variety and complexity of the early modern English discourses on dreams from the role of dreams and dream theory in framing religious scientific and philosophical debates to the way that dreams continued to offer important spiritual and supernatural guidance and lastly how ordinary people exercised agency over their lives through interpreting and using dreams While today we tend to conceptualize dreams and dreaming as largely psychological this study shows how early modern people understood dreams and dreaming as many different things most significantly as political religious medical philosophical and supernatural

**The Distance Between Us** Reyna Grande, 2012-08-28 In this inspirational and unflinchingly honest memoir acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico and shines a light on the experiences fears and hopes of those who choose to make the harrowing journey across the border Reyna Grande vividly brings to life her tumultuous early years in this compelling unvarnished resonant BookPage story of a childhood spent torn between two parents and two countries As her parents make the dangerous trek across the Mexican border to El Otro Lado The Other Side in pursuit of the American dream Reyna and her siblings are forced into the already overburdened household of their stern grandmother When their mother at last returns Reyna prepares for her own journey to El Otro Lado to live with the man who has haunted her imagination for years her long absent father Funny heartbreaking and lyrical The Distance Between Us poignantly captures the confusion and contradictions of childhood reminding us that the joys and sorrows we experience are imprinted on the heart forever calling out to us of those places we first called home Also available in Spanish as La distancia entre nosotros

**From Mago's Cellar** Titch Laudrigan, 2021-02-04 This is a partial story and account of a long lived man residing below the the killing embrace of Vesuvius at story s beginning It is a full life of a man soon coming too an end one that began in the formative years of the Roman Empire Memoirs finished just as Vesuvius destroys his estate

Two millennia later a thief of antiquities a grave robbing nighthawk discovers the near perfectly preserved manuscripts portraying this man's life and begins to write them up

*Ordinary Women, Extraordinary Lives* Kriste Lindenmeyer, 2000-06 This collection of seventeen minibiographies sheds light on the often neglected herstory of U S history from the revolutionary era through the late twentieth century In addition this volume suggests the complexity of studying the past when gender race class region age and ethnicity are included in the analysis This book is unique in that it focuses on the lives of ordinary women The names of the vast majority of those whose stories are included here will likely be unfamiliar even to serious students of American women's history The varied experiences of such women help to create a more complete picture of the past by revealing the influence general historical trends have had on the lives of ordinary individuals But ordinary does not mean lesser nor does it denote class race ethnicity or age The individual women's stories that are told in the following pages show that even people who are not featured in mainstream history texts led lives that deserve the attention of those interested in understanding the past The authors of these chapters have found support for generalizations commonly held by American women's historians Nonetheless their research has also led to unexpected findings that ask students of women's history to examine assumptions about the past more closely
