Bernstein, Kisari Mohan Ganguli, 2021-08-01 The war rages on and readers are given a taste of what unchecked violence can lead to even between kith and kin Ask yourself Is murder for the sake of honor or duty still occurring today Have we learned nothing since this was written thousands of years ago The Author **The Mahabharata: A Modern Retelling** Erin

Bernstein, Kisari Mohan Ganguli, 2017-08-28 In this volume the author inches closer and closer to the impending war We can learn more about ourselves the human race if we simply acknowledge that we have been questioning the very same matters as five ancient characters created millenias ago **Mahabharata** Miriam Fernandes, Ravi Jain, 2023-09-19 A contemporary

dramatic take on a 4 000 year old Sanskrit epic that is foundational to Indian culture Why Not Theatre's large scale once in a generation retelling of Mahabharata brings together a cast of performers entirely from the South Asian diaspora blending cultures and art forms in a spectacular production at the Shaw Festival and the Barbican Theatre in London Over two parts

Karma and Dharma and a communal meal Khana this translation and adaptation of Mahabharata spans generations and takes audiences into the hearts and minds of some of the most complex and enduring characters ever created With warring families and devious revenge plots Mahabharata tells the story of an ancient feud with philosophical and spiritual questions that are no less urgent today In times of division how do we find wholeness Are we destined to repeat the mistakes of our ancestors And how can we build a new world when we have nearly destroyed this one Contains the full text of the play along with materials opening up the behind the scenes world of the production including interviews with the creators background and context about the source material production photographs a Mahabharata family tree and glossary Ravi Jain and Miriam Fernandes s contemporary take on the Mahabharata is one of the most beautiful emotional journeys I have had the privilege to witness It is inspiring mind broadening and speaks to all the senses It even brings you back to the origins of theatre itself when people would gather in the quarries around a bonfire to tell stories With their tasteful use of technology dance and opera the 4 000 year old Sanskrit poem comes to life and feels more universal than ever A captivating theatre experience from the first flame to the last pixel Robert Lepage In their stunning rendition of the great Indian epic Mahabharata Ravi Jain and Miriam Fernandes brilliantly reverse the whole concept of what Bertolt Brecht famously advised theatre directors to make the familiar unfamiliar Jain and Fernandes have turned the unfamiliar into the familiar The 4 000 year old saga most Indians grew up with is made accessible to a contemporary audience the world over No mean feat The play true to its source crosses all boundaries of culture class and geography Its timeless storytelling and evocative stage design is transformed into a saga for the world with its fundamental emotions of human nature power hate jealousy greed and lust To be gob smacked by this innovation would be an understatement Immerse yourself in this take on the Mahabharata and travel with it in time into the past present and future of humanity Deepa Mehta

Bernstein,Kisari Mohan Ganguli,2017-07-12 What is the meaning of life Is it better to live a life of abstention and piety or die a hero in battle Is it ever justified to wage war with your kin What makes a warrior sound of body mind and spirit These and many other questions are not subjects that sprung from the mind of man as of late In this saga of gods goddesses demons monsters magic and the like the reader can see in a new unabridged format that such matters were just as mystifying then as they are now This volume one of eighteen to follow takes us on a long and winding road that asks us hesitate ruminate and ultimately celebrate the triumph of good over evil The Author

The Mahabharata: A Modern Retelling Erin Bernstein,Kisari Mohan Ganguli,2017-07-27 As our saga continues the band of exiles explore their new surroundings and wonders never cease Though this is one of the lengthier volumes it still remains a page turner and just as enticing as the rest The Author

The

Mahabharata: A Modern Retelling Erin Bernstein, Kisari Mohan Ganguli, 2017-08-31 There's never been a greater nor more controversial topic than that famous oxymoron holy war. When has war ever been more than a physical embodiment of twisted logic clashing with twisted logic. And in the end, there is no true victor but Death. The Author [The Mahabharata: A Modern Retelling](#) Erin Bernstein, Kisari Mohan Ganguli, 2021-08-09 It's hard to believe that we are coming to a close on the truly divisive war. However, the saga is only halfway finished. Join me as we continue on and read of the aftermath and quest for peace of mind, heart, and soul. The Author [The Mahabharata: A Modern Retelling](#) Erin Bernstein, Kisari Mohan Ganguli, 2021-08-13 In this rather brief volume, we read of the seemingly final violent deed of the war. Now we begin the harsh reality: many war widows face even today, bidding a fond farewell to a loved one yesterday and burying him today. The Author [The Mahabharata: A Modern Retelling](#) Erin Bernstein, Kisari Mohan Ganguli, 2021-07-21 A fascinating book questioning the necessity of war, a question still discussed today. But for those who prefer it to peace, there's as much discussion of carnage as such a one could ever imagine. The Author **The Mahabharata: A Modern Retelling** Erin Bernstein, Kisari Mohan Ganguli, 2017-10-24 But war is made for the satisfaction of men's ambition for the sake of worldly gain; to the few, terrible misery is brought to numberless homes, breaking the hearts of hundreds of men and women. How many widows mourn their husbands, how many stories of savage cruelty do we hear. How many little orphaned children are crying for their dead fathers, how many women are weeping for their slain sons. There is nothing so heart-breaking and terrible as an outburst of human savagery. Abdul Baha, Paris Talks, p. 29 **The Mahabharata: A Modern Retelling** Erin Bernstein, Kisari Mohan Ganguli, 2017-07-16 The saga continues in this Vedic work, and as the plot thickens, we can almost see the drama unfold. The tension is building in this well-crafted retelling of a tale thousands of years old. The Author **The Mahabharata: A Modern Retelling** Erin Bernstein, Kisari Mohan Ganguli, 2021-08-16 In this brief volume, the grief of the women is mentioned. I find it interesting that for the billions of deaths mentioned here, very little is said with regard to reflecting on the unimaginable grief or its affect on the women. The Author **Embodied Ecology** Christopher Key Chapple, 2025-05-06 In *Embodied Ecology*, Hindu Studies scholar Christopher Key Chapple explores how Hindu and Yoga traditions can inform contemporary discourse about the problems of environmental degradation both in India and globally. What do Hinduism and Yoga philosophy have to say about ecology and the environment? Christopher Key Chapple provides an in-depth analysis of the traditional texts and ideas that relate to modern concerns and conversations in the environmental movement. Chapple explains what ancient Indian texts, including the Vedas and Upanishads, tell us about the centrality of earth awareness in early India. Chapple then also examines how contemporary eco-activists such as Vandana Shiva, M. C. Mehta, and Sunderlal Bahuguna are applying traditional teachings and methods to current environmental crises. *Embodied Ecology* highlights how Hindu and Yoga ideals can address pressing environmental problems, including global consumerism, the proliferation of plastic waste, species extinctions, and climate change. Chapple offers insights on how Yoga ethics can help us

create guidelines for the modern ills of over consumption and how meditation practices can help foster a greater connection to the environment as well as alleviate distress brought about by eco anxiety Under Chapple s guide students will gain familiarity with primary Hindu texts describing methods for understanding and connecting with the five primary elements and learn Yoga practices and lifestyle changes that can be applied to bring about positive change on both a global and individual level

Vyasa Redux Kevin McGrath,2019-06-20 Vy sa is the primary creative poet of the Sanskrit epic Mah bh rata and Vy sa Redux examines the many paradoxical dimensions of his narrative virtuosity in the poem where the poet is both the creator of the work and a character within it The book also studies elements in the poem which have been received by the late Bronze Age poets who composed the figure of Vy sa elements that reflect kinship polity and modes of mnemonic inspiration Three paired concepts function within the poem s narrative process first the central approach of the book is founded upon the distinction between plot and story that is the causal relation of events as opposed to the temporal relation of events Second much of the argument then engages with how this distinction relates to the difference between the preliterate and literate phases of our present text Third the nature of how inspiration functions and how edition operates becomes another vital component in our analytic process explaining how Vy sa becomes a dramatic causal and at times prophetic character in the poem s narration as well as its originator

The Truth of Yoga Daniel Simpson,2021-01-05 A succinct approachable guide to the origins development key texts concepts and practices of yoga Yoga is practiced by many millions of people worldwide and is celebrated for its mental physical and spiritual benefits And yet as Daniel Simpson reveals in *The Truth of Yoga* much of what is said about yoga is misleading For example the word yoga does not always mean union In fact in perhaps the discipline s most famous text the Yoga Sutra of Patanjali its aim is described as separation isolating consciousness from everything else And yoga is not five thousand years old as is commonly claimed the earliest evidence of practice dates back about twenty five hundred years Yoga may well be older but no one can prove it *The Truth of Yoga* is a clear concise and accessible handbook for the lay reader that draws upon abundant recent scholarship It outlines these new findings with practitioners in mind highlighting ways to keep traditions alive in the twenty first century

Zen and Therapy Manu Bazzano,2017-06-26 Zen and Therapy brings together aspects of the Buddhist tradition contemporary western therapy and western philosophy By combining insightful anecdotes from the Zen tradition with clinical studies discussions of current psychotherapy theory and forays into art film literature and philosophy Manu Bazzano integrates Zen Buddhist practice with psychotherapy and psychology This book successfully expands the existing dialogue on the integration of Buddhism psychology and philosophy highlighting areas that have been neglected and bypassed It explores a third way between the two dominant modalities the religious and the secular a positively ambivalent stance rooted in embodied practice and the cultivation of compassion and active perplexity It presents a life affirming view the wonder beauty and complexity of being human Intended for both experienced practitioners and beginners in the fields of psychotherapy and

philosophy Zen and Therapy provides an enlightening and engaging exploration of a previously underexplored area

Bhagavad Gita ,2019-02-19 Stanley Lombardo s new verse translation of the most famous free standing sequence from the great Indian epic The Mahabharata hews closely to the meaning verse structure and performative quality of the original and is invigorated by its judicious incorporation of key Sanskrit terms in transliteration for which a glossary is also provided The translation is accompanied by Richard H Davis brilliant Introduction and Afterword The latter Krishna on Modern Fields of Battle offers a fascinating look at the illuminating role the poem has played in the lives and struggles of a few of the most accomplished figures in recent world history
