Awestruck Tim Cooper, 2011-03-23

Have you ever met someone who changed your life? Have you ever met someone who left you speechless? Have you ever met someone who left you amazed? Have you ever met someone that left you awestruck? It was an everyday occurrence when real people encountered Jesus for the first time. Time after time, they found their lives turned upside down after their encounter. There was the career fisherman who dropped his nets and found his cross. There was the crippled man taking his first steps. The blind opened their eyes to see Jesus for the first time. There was the woman who bled for more than a decade who rejoiced in her first day of relief. There was the father who welcomed his daughter back to life. The Gospel of Mark captures these encounters and more. These weren't everyday encounters. These were life-altering events that changed the course of history, one life at a time. Mark shows everyday men and women left awestruck by their encounters with God in the flesh, finding new life and fresh perspective each step of the way. The best part is that God still desires those encounters for us today.

Qadir Sheikh's Leslie North, *The Sheikh's Surprise Twins*

Holly Remington can't believe the burning chemistry she feels with Sheikh Malik Abdul Rahman. It's like getting knocked in the head with a baseball bat, except far more pleasant. Though she's supposed to be all business while her company tries to win a lucrative development contract in the oil-rich country of Qadir, Holly simply can't stop herself from happily succumbing to his charm. When she's called back home after her father suffers a stroke, thoughts of her Sheikh romance are never far away. It's only when she's ready to return to Qadir to continue her work that she discovers Malik gave her more than sexy memories. She's pregnant with twins. And when she sees him again, Malik makes it painfully clear he's not only rejecting her development proposal, he's not interested in any other formal proposal either. He wants all of her.

The Sheikh's American Assistant Makayla Riggs is convinced her father was wrongfully convicted, and she's going to prove it. Her father died in prison in Qadir, a tiny Arabic country, after being found guilty of stealing a diamond from the royal family. Convinced her father was framed by the al-Baians, the powerful family he was working for, Makayla heads to Qadir and finds an unlikely ally in Sheikh Baqir Abdul Rahman, who has his own suspicions about the al-Baians. As the two work together to uncover the truth, Makayla can't help but find herself falling under the charming Sheikh's spell. How can she not when Baqir is the only one who believes her father was framed?
