Extraordinary Everyday Photography Brenda Tharp, Jed Manwaring, 2012-08-21 Through accessible discussions and exercises readers learn to use composition available light color and point of view to create stunning photographs in any environment. Photographers are born travelers. They'll go any distance to capture the right light beautiful landscapes wildlife and people. But exotic locales aren't necessary for interesting photographs. Wonderful images are hiding almost everywhere you just need to know how to find them. *Extraordinary Everyday Photography* will help you search beyond the surface to find the unexpected wherever you are be it a downtown street a local park or your own front lawn. Authors Brenda Tharp and Jed Manwaring encourage amateur photographers to slow down open their eyes and respond to what they see to create compelling images that aren't overworked. Inspiring photo examples from the authors taken with DSLRs compact digital cameras and even iPhones show that it is the photographer's eye and creative vision not the gear that make a great image.
