Make Your Voice Matter:

Does My Voice Matter? Cynthia James, 2025-07-30 We live in a critical and oftentimes violent world. People are afraid to talk about what they feel, think, or believe. They withhold energy for fear of being ridiculed, punished, or excluded. They hide their deepest dreams and desires away and cover them up with doubt, insecurity, old experiences, and fears. Cynthia James knows this because that was her experience. Covering seven decades of living, traveling, and growing, *Does My Voice Matter* follows James's journey of self-discovery and authenticity as she gradually recognizes that she has a voice and learns how to use it. She uses her own life experiences as a backdrop for her exploration of how the voice is used as a tool of engagement, how a singular or collective voice can enhance empowerment, transparency, and accountability, and finally how expression can develop new ideas, shift cultures, political views, transform organizations, create laws, and improve lives. Written for anyone who wants to discover the power within that makes them special, *Does My Voice Matter* has a vital message: Uniqueness is your own glorious imprint on this planet, and it is calling you to come out. It doesn't matter if your awakening is large or small; it doesn't matter what your age, race, religion, or history is; anyone can begin right where they are right now. Getting On
