Table Talk Mike Graves, 2017-10-24 For nearly two thousand years followers of Jesus have gathered in churches to eat a meal called Communion in his memory In Table Talk Mike Graves claims if we could travel back to those earliest Christian gatherings we would realize we are not just two thousand years removed we are light years removed from how they ate when

gathered because eating was why they gathered in the first place a kind of first century dinner party Four characteristics of their Communion practices would leap out at us traits that are scattered throughout the New Testament but that often go unnoticed how the meal was part of a full evening together promoting intimacy how it was a mostly inclusive affair everyone welcome at the table how it was typically festive more like a dinner party and how afterwards they enjoyed a lively conversation on a host of topics But Table Talk explores more than just Communion practices because a new way of doing church is happening around the world gatherings more horizontal than vertical For two thousand years Christians have oriented themselves toward God in the presence of others now a growing number of congregations part of the dinner church movement are orienting themselves toward each other in the presence of God This book tells their story and helps us rethink our own

theological and ethical thought **Subversive Meals** Streett R Alan,2016-11-24 In *Subversive Meals* Alan Streett follows on from James C Scott's idea of a hidden transcript to argue that the Lord's Supper was a subversive non violent act against the Roman Empire. Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination. In his widely researched argument Streett illuminates for the reader why understanding the Lord's Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE. *Subversive Meals* analyses how the structure of the Lord's Supper followed that of a Roman banquet by having a deipnon and a symposium the latter being the time when anti resistance discussions would take place. Streett examines several aspects of the history context and theological significance of the Lord's Supper. He discusses such topics as the identification of Passover as an anti imperial meal against the Pharaoh's rule the Roman domination system the meal practices of Jesus the eschatological meaning of the Last Supper the practice of this anti imperial work ethic in the early church and the gift of prophecy as a symposium activity. By seeing the Lord's Supper as a political act readers will be able to study Scriptural passages more closely and precisely **Divine Agency and Divine Action, Volume III** William J. Abraham,2018 Volume 4 In the final of four volumes the author seeks an account of God as agent. Abraham illumines the concept of God as agent by attending to various traditional problems in Christian doctrine like the relation of freedom and grace divine action in liberation theology the presence of God in the Eucharist divine providence the relationship of Christianity and Islam the relation of the natural science to theology and apparent design and the realm of the demonic. Divine action is the point of departure for reflection on these topics [Following Jesus in the Holy Land](#) Stephen Need,2019-09-01 Reflecting on the key locations of Jesus' life and ministry this book invites Holy Land visitors and armchair pilgrims to reflect on Christian discipleship through Advent and Lent [Dogmatic Ecclesiology : Volume 1](#) Tom Greggs,2019-11-05 Ecclesiology is a key issue for the present age of church history.
