S. Albert F Siepert, BS, James Zimmerhoff, 2017-09-08

Years ago a country boy heard or read that if a simple box having a hole of a certain size were set upon a post in March or early April it would not be long before bluebirds would be around to see if the place would do as a summer cottage So he took an old paint keg such as white lead is sold in nailed a cover across the top cut an opening in the side and then placed it on a post ten or twelve feet high Only a day or two passed before a soft call note was heard a flash of blue and the songster had arrived His mate came a few days later and the paint keg with its tenants became the center of interest in my life A second brood was reared in midsummer and when the cool days of September came a fine flock left for the South Each year the house was occupied until the post decayed and the paint keg fell down but in memory the sad call note is still heard when spring comes for it is house hunting time once more and the bluebirds are looking for the home they had known That boys elsewhere may know the joy of the companionship of birds this little book is written Birds will come and live near the houses of men whenever food and water are to be had safety from enemies is given and when homes are built for them to replace the

shelters nature offered before men came with their cultivated fields and crowded cities The following pages give pictures and drawings of houses that boys have built and in which birds have lived These houses are planned for the species of birds that have become accustomed to civilization so that they will inhabit the houses put up for them The author is indebted to Professor Chas A Bennett of Bradley Institute and Mr L L Simpson of The Manual Arts Press for helpful suggestions and encouragement to John Friese for making the drawings and to the following for the use of the originals of the illustrations which tell most of the story Edward G Anderson Seattle Wash Figs 32 33 34 36 39 54 55 56 57 Frank H Ball Pittsburgh Pa Figs 12 29 45 66 67 Leon H Baxter St Johnsbury Vt Figs 21 22 F D Crawshaw University of Wisconsin Madison Wis Figs 11 40 41 42 43 44 Donald V Ferguson St Paul Minn Figs 9 28 38 62 Geo G Grimm Baltimore Md Fig 14 C M Hunt Milton Mass Figs 46 52 H A Hutchins Cleveland O Figs 15 16 17 18 19 Elmer Knutson St Cloud Minn Figs 30 31 National Association of Audubon Societies 1974 Broadway New York City Figs 1 2 3 4 5 6 7 8 Chas Tesch Milwaukee Wis Fig 64 The Crescent Co Toms River N J Figs 35 49 50 United States Department of Agriculture Bulletins Figs 20 51 65 Youths Companion Perry Mason Co Boston Mass Figs 58 59 60 61 ALBERT F SIEPERT Peoria Ill March 1916 CONTENTS PAGE Birds That Live in Nesting Boxes 7 Bluebird robin chickadee wren house finch woodpecker flicker martin Construction of Bird Houses 15 Dimensions of nesting boxes houses of sawed lumber rustic houses cement and stucco houses Placing Houses 36 Feeding Shelves and Shelters 37 Foods Bird Baths 48 Bird Enemies 51 Men ants and vermin English or house sparrow sparrow traps Bird House Exhibitions 54 Bibliography 57 Bird and bird house literature Index 59 BIRDS THAT LIVE IN NESTING BOXES
