M Mosston

Making Democracy Work Civic Traditions In Modern Italy:

Making Democracy Work Robert D. Putnam, Robert Leonardi, Raffaella Y. Nanetti, 1994-05-27 A classic New York Times Seminal epochal path breaking a Democracy in America for our times The Nation From the bestselling author of Bowling Alone a landmark account of the secret of successful democracies Why do some democratic governments succeed and others fail In a book that has received attention from policymakers and civic activists in America and around the world acclaimed political scientist and bestselling author Robert Putnam and his collaborators offer empirical evidence for the importance of civic community in developing successful institutions Their focus is on a unique experiment begun in 1970 when Italy created new governments for each of its regions After spending two decades analyzing the efficacy of these governments in such fields as agriculture housing and healthcare they reveal patterns of associationism trust and cooperation that facilitate good governance and economic prosperity The result is a landmark book filled with crucial insights about how to make democracy work

Family Background Influence on Romanian's [sic] Youth Voting Behaviour Corina Moruțan, 2009

Making Democracy Work Better Richard A. Couto, 2003-07-11 The decade of the 1980s marked a triumph for market capitalism As politicians of all stripes sought to reinvent government in the image of private enterprise they looked to the voluntary sector for allies to assuage the human costs of reductions in public policies of social welfare This book details the savage side of market capitalism in Appalachia and explains the social political and economic roles that mediating structures play in mitigating it Profiling the work of twenty three such mediating structures community based organizations that battled to provide social safety nets fight environmental assaults and upgrade the education and job skills of Appalachian residents Richard Couto distills the practical lessons to be found in their successes and shortcomings Couto argues that a broader set of democratic dimensions be used in taking the measure of civil society and public policy in the twenty first century He shows that mediating structures promote the democratic prospect of reduced inequality and increased communal bonds when they provide and advocate for new forms and increased amounts of social capital the public goods and moral resources that we invest in one another as members of a community

Making democracy work Robert PUTNAM, 1992 *Education and Democratic Theory* A. Belden Fields, Walter Feinberg, Nicole Roberts, 2001-04-19 A ground breaking look at how access to decision making in the public schools can be extended to all even previously excluded segments of the community Lost in Translation Kateryna Pishchikova, 2006 *Reseña de "Making Democracy Work. Civic Traditions in Modern Italy" de Robert Putnam* Claudia Maldonado Trujillo, 2000 State Building and Development Arta Ante, 2010 In the case of Kosovo in addition to the examination of the structures this study examines the role of actors participating in these processes local and international actors and their potential alliances coalitions and conflicts Beyond these concerns the aspect of security especially the rule of law is to be considered as the main precondition for undertaking any action in the aforementioned domains From the theoretical methodical perspective this work falls under the category of Policy Analysis The

Italian/American Experience Louis J. Gesualdi, 2012-04-13 The Italian American Experience A Collection of Writings represents a meaningful attempt to inform Italian Americans about their group's varied experiences in America. This book, unlike many works on the Italian American experience, contains writings that explain why popular negative notions of Italian American life are inaccurate. The Italian American Experience lists a number of organizations and journals specializing in Italian American culture and provides brief descriptions of many leading researchers in the field of Italian American studies. This unique text also contains an annotated bibliography of key books that deal with the lives of Italians and Italian Americans. This collection of eleven works offers readers an in-depth view of Italian American culture and heritage.

Civil Society Before Democracy Nancy Bermeo, Philip Nord, 2000-11-15 Bringing together historians and political scientists, this unique collaboration compares nineteenth-century civil societies that failed to develop lasting democracies with civil societies that succeeded. Much of the current literature on the connection between civil society and consolidating democracy focuses exclusively on single contemporary polities that are ever-changing and uncertain. By studying historical cases, the authors are able to demonstrate which civil societies developed in tandem with lasting democracies and which did not. Contrasting these two sets of cases, the book both enlightens readers about individual countries and extracts lessons about the connections between civil society and democracy in contemporary times. Above all, the authors ask the vital but under-researched question: How and why does democratic civil society develop?

Is Democracy Exportable? Zoltan D. Barany, Robert G. Moser, 2009-07-06 This book explains the normative and empirical issues behind the concept known as democracy promotion.

Political Culture, Political Science, and Identity Politics Howard J. Wiarda, 2016-04-08 Political Culture defined as the values, beliefs, and behavioral patterns underlying the political system has long had an uneasy relationship with political science. Identity politics is the latest incarnation of this conflict. Everyone agrees that culture and identity are important; specifically, political culture is important in understanding other countries and global regions, but no one agrees how much or how precisely to measure it. In this important book, well-known Comparativist Howard J. Wiarda traces the long and controversial history of culture studies and the relations of political culture and identity politics to political science. Under attack from structuralists, institutionalists, Marxists, and dependency writers, Wiarda examines and assesses the reasons for these attacks and why political culture went into decline only to have a new and transcendent renaissance and revival in the writings of Inglehart, Fukuyama, Putnam, Huntington, and many others. Today, political culture, now updated to include identity politics, stands as one of these great explanatory paradigms in political science, the others being structuralism and institutionalism. Rather than seeing them as diametrically opposed, Howard Wiarda shows how they may be made complementary and woven together in more complex, multicausal explanations. This book is brief, highly readable, provocative, and certain to stimulate discussion. It will be of interest to general readers and as a text in courses in international relations, comparative politics, foreign policy, and Third World studies.

Latin American Political Culture John A. Booth, Patricia Bayer

Richard,2014-10-30 Latin American Political Culture Public Opinion and Democracy presents a genuinely pan Latin American examination of the region s contemporary political culture This is the only book to extensively investigate the attitudes and behaviors of Latin Americans based on the Latin American Public Opinion Project s LAPOP AmericasBarometer surveys The findings reveal a complex Latin America with distinct political culture Authors John Booth and Patricia Bayer Richard join rigorous analysis with clear graphic presentation and extensive examples and readers learn about public opinion research engage with further questions for analysis and have access to data an expansive bibliography and links to appendices

Making Social Capital Work Carles Boix,Daniel N. Posner,1996 A New Handbook of Political Science Robert E.

Goodin,Hans-Dieter Klingemann,1998 Aimed at political scientists A New Handbook of Political Science provides the definitive survey of new developments over the last 20 years assessed in the context of historical trends in the field

Principles of Comparative Politics William Roberts Clark,Matt Golder,Sona Nadenichek Golder,2017-02-23 Principles of Comparative Politics offers the most comprehensive and up to date introduction to comparative inquiry research and scholarship In this thoroughly revised Third Edition students now have an even better guide to cross national comparison and why it matters The new edition retains a focus on the enduring questions with which scholars grapple the issues about which consensus has started to emerge and the tools comparativists use to get at the complex problems in the field Among other things the updates to this edition include a thoroughly revised chapter on dictatorships that incorporates a discussion of the two fundamental problems of authoritarian rule authoritarian power sharing and authoritarian control a revised chapter on culture and democracy that includes a more extensive examination of cultural modernization theory and a new overview of survey methods for addressing sensitive topics a new section on issues related to electoral integrity an expanded assessment of different forms of representation and a new intuitive take on statistical analyses that provides a clearer explanation of how to interpret regression results Examples from the gender and politics literature have been incorporated into various chapters the Problems sections at the end of each chapter have been expanded a nd the empirical examples and data on various types of institutions have been updated Online videos and tutorials are available to address some of the more methodological components discussed in the book The authors have thoughtfully streamlined chapters to better focus attention on key topics

Conflict, Cleavage, and Change in Central Asia and the Caucasus Karen Dawisha,Bruce Parrott,1997-06-13 This volume examines the former Soviet states of Central Asia and the Caucasus Contexts of Social Capital Ray-May

Hsung,Nan Lin,Ronald L. Breiger,2010-11-24 One of the hottest concepts in international academic social science research social capital refers to the ways in which people make use of social networks in getting ahead This book presents the latest contributions and advances in theory and method in this important field The Enlarged European Union Peter Mair,Jan

Zielonka,2012-12-06 Focusing upon the emerging patterns of unity and diversity in the enlarged European Union this study explores enlargement from the East and the impact this will have on the future identity of Europe Building Peace in

Northern Ireland Maria Power, Maria Clemence Power, 2011-01-01 Since the troubles began in the late 1960s people in Northern Ireland have been working together to bring about a peaceful end to the conflict Building Peace in Northern Ireland examines the different forms of peace and reconciliation work that have taken place Maria Power has brought together an international group of scholars to examine initiatives such as integrated education faith based peace building cross border cooperation and women s activism as well as the impact that government policy and European funding have had upon the development of peace and reconciliation organizations
