Discipling as Jesus Discipled Dann Spader,2016-07-15 Want to make disciples but not quite sure how Learn from the Master Making disciples is tough To walk someone from no knowledge of Christ to a deep transforming relationship that s a challenge But it s our job In Discipling as Jesus Discipled you will be equipped to follow Jesus masterful strategy of making fishers of men Through an interactive study of Jesus prayer in John 17 and various mission trips in the Gospels you ll learn Three words that capture how Jesus made disciples Seven disciplines of a successful disciple maker How to make the Great Commission a way of life Strategies for making disciples who make disciples You have one life but when you impart it to others for the sake of Christ and in the way of Christ your life will multiply for the glory of God Ready to learn from the Master     Multiply Francis Chan,Mark Beuving,2012-11-01 Jesus gave his followers a command Follow me And a promise And I will equip you to find others to follow me We were made to make disciples Designed for use in discipleship relationships and other focused settings Multiply will equip you to carry out Jesus s ministry Each of the twenty four sessions in the book corresponds with an online video at [www.multiplymovement.com](http://www.multiplymovement.com) where New York Times bestselling author David Platt joins Francis in guiding you through each part of Multiply One plus one plus one Every copy of Multiply is designed to do what Jesus did make disciples who make disciples who make disciples Until the world knows the truth of Jesus Christ

**Disciple-To-Disciple** Frederick Osborn,2014-12-12 Being a Disciple is only part of what we have been called to we have also been called to go and make disciples This is the Great Commission being salt and light to the world as we make disciples The intended result of being salt and light to the world is to go and make disciples Disciples making disciples is an integral part of the kingdom As disciples teach they are being taught by the Master Disciple to Disciple book and study guide is actually the third in an informal series of teachings on the Kingdom The first in the series is This Gospel of the Kingdom The book and study guide describe the foundational teachings of Jesus Christ concerning the kingdom of God The second book and study guide in the series is called Kingdom Discipleship Kingdom Discipleship defines the six terms of discipleship that Jesus said all who would be His disciple must meet in order to be His disciple Only disciples make disciples and in this part of

the series on the Kingdom of God we will set aside some time to learn how Jesus the Master Teacher taught His disciples Disciple to Disciple is an in depth study guide on how Jesus taught His disciples It can be used with or without the book to help us understand how Jesus taught His disciples so that we can be more effective in how we teach others to be like Christ If we teach others to become faithful disciples of Jesus Christ then we will do more than teach them to be mere imitations of their Master but will teach them to be like Jesus in every way When disciples make disciples all will be transformed by the Master And so the process of making disciples who are like Jesus in character and conduct will continue with each new generation of believers

**Making Disciples Through Home Assemblies** ,Dwight,Patrice Gillespie,2022-05-03 Statistics on church growth reveal some startling facts Overall church attendance in America is declining The number of those who claim they are done with churches is growing Those who list none as religious affiliation are increasing After COVID 19 some are reluctant to return to church services in buildings What if you had a way to make disciples for Jesus in your neighborhood Is there a way to reach those who have left the churches or who will not go back to a church building Yes Making Disciples Through Home Assemblies can show you how The book is based on the biblical patterns of the first century disciples who were highly effective in disciple making in obedience to Jesus command to make disciples and be His witnesses Matthew 28 18 20 and Acts 1 8 Studying Acts and other New Testament verses the authors show that those disciples believed that making disciples and growing the Kingdom of God was the number one priority The authors also show that individuals met in homes in the absence of church buildings and that any believer can become a disciple maker for Jesus Making Disciples Through Home Assemblies contains biblical rationale for home assemblies material that can be used for training yourself and others to lead a home assembly and the biblically based study guide for your home assembly meetings is included The material in this book has been extensively tested for over two years with audiences of diverse ages and many individuals have been successful in creating their own home assemblies and making disciples for Jesus across the United States Now you too can start a home assembly and teach others how to become disciples for Jesus

[Making Disciples in the Twenty-First Century Church](#) Joel Comiskey,2013-12-02 We know that the goal of the Christian life is to glorify God and to enjoy him forever While this is God s ultimate plan does he have a particular purpose for the cell based church I ve been wrestling with this question for the past twenty two years This question confronts me every time I coach a pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping this pastor Where am I guiding this church What am I trying to do I ve come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples Christ s last command to his disciples was for them to repeat the process and to reproduce new disciples But how were they supposed to do that This book answers these questions The early church followed Christ s pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy 2 1 2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women Even though the term

disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same We in North America and the Western world often project our own cultural bias into Christ s great commission Matthew 28 18 20 Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God And yes there is an important individual aspect e g personal devotions etc Yet in Matthew 28 Jesus was talking to a group of disciples He wanted them to follow his example by making disciples in a group Jesus molded twelve disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God s Word All three aspects are essential to form disciples Training is needed because disciples won t learn all they need to know in the cell Coaching ensures that each leader is cared for and receives shepherding The celebration service brings the cells together to hear God s Word worship and receive fresh vision The goal of the two wing cell church is to make disciples who make disciples The cell church today makes disciples by following the early church pattern of cell and celebration Recommendations I ve read all of Joel Comiskey s books but Making Disciples in the Twenty First Century Church is his best work yet In this book Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen I m looking forward to having all of our Pastors Coaches and Cell Leaders and Members read this book in the near future Dennis Watson Lead Pastor Celebration Church of New Orleans \_\_\_\_ I am so excited about Joel Comiskey s new book Making Disciples in the Twenty First Century Church When I m asked what makes a cell church thrive I always say discipleship Thank you Joel for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth I pray this book won t only be read but lived out as we were made to make disciples Jimmy Seibert Senior Pastor Antioch Community Church President and Founder Antioch Ministries International \_\_\_\_ I really like that Joel asked the Why question before the How question He even takes on the What question which is just as important The interest in discipleship is greater now than anytime in the last fifty years I fear however that we are using the same words but are not speaking the same language I recommend this work I cheer Joel on he joins many of us who are masters of the obvious It seems so obvious that our purpose is to be disciples and make disciples I cheer him on because he goes beyond the What and Why and does address the How This will help any person who reads it

Samms,2016-03-05 We have learned that the first couple months in the life of a new believer is critical They are hungry They are alive They want to grow They are also in a unique position to share their story with their friends It is your job to help them grow as a follower of Christ But most Christians have never made a disciple If you are like most Christians you don t even know where to start After all the Bible is a big book What do you teach first How do you equip them to follow

Jesus on their own Follow A Handbook for Making Disciples of Jesus Christ helps you know where to start You can read the book and walk a new believer through the content or you can have them read it and discuss it later The book includes discussion questions to help train rather than merely teach a disciple A fundamental premise to this book is that everyone can make disciples You don t need to be a pastor and you don t need years of training All you need is to know Jesus and allow the Holy Spirit to lead you as you lead others to follow Jesus As you make disciples commission them to make disciples as well If you can make disciples who make disciples there is no limit to the advancement of God s Kingdom Think multiplication not merely growth *Master's Plan for Making Disciples* Win Arn,Charles Arn,Bill M.
