Making Gospel Sense James William McClendon (Jr.), 1995 Care-full Preaching G. Lee Ramsey, 2012-03-15 In Care full Preaching G Lee Ramsey Jr offers a new vision for how sermons can energize all members of a congregation to care for one another Using fresh images and sermons from Fred Craddock James Forbes Gina Stewart Barbara Brown Taylor and himself Ramsey demonstrates in practical ways how sermons can create a caring community **Re-membering the Body** Scott W. Bullard, 2013-11-01 For centuries Baptists have regarded the Eucharist or Lord s Supper as merely symbolic rather than as sacramental Historically speaking Baptists have also participated in the practice of the Supper less frequently than other Christian groups all the while lodging complaints about a lack of ecclesial unity In response to these trends this book argues for a sacramental understanding of the Eucharist and focuses on the way in which the Eucharist conveys grace by drawing the church together as the body of Christ It focuses especially on the theology of James Wm McClendon Jr who was Baptist but nonetheless illustrated that through the Eucharist God re members the church as the body of Christ Together with Lutheran theologian Robert Jenson and Catholic theologian Cardinal Henri de Lubac McClendon s work has had an enormous impact on contemporary free church discussions about the Supper and ecclesial unity In a final chapter therefore the study examines a number of contemporary Baptists dubbed the new Baptist sacramentalists These men and women are influenced by McClendon Jenson and de Lubac and they offer a fresh approach to the ongoing puzzle of the church s disunity through the Eucharist Twentieth-century Shapers of Baptist Social Ethics Larry L. McSwain, William Loyd Allen, 2008

Twentieth Century Shapers of Baptist Social Ethics provides an overview of the major historical framework within which Baptists emerged with significant contributions to Christian social thought and action in the twentieth century This book provides a summary of the life principal ideas writings and most significant contributions of nineteen Baptists since 1900

Gathering Together Rodney Wallace Kennedy, Derek C. Hatch, 2013-08-27 Concerned to think intentionally about liturgy in Baptist life and thought this book aims to address the practices of Christian worship in a theological light examining how each brings individual Christian believers and communities of faith to a greater understanding and embodiment of the gospel In this mode worship becomes a seamless garment that forms disciples of Christ and opens out toward the world In short theology worship and mission all intersect in the liturgical life of the body of Christ In addition to theological engagement with liturgical practices Gathering Together links reflection to praxis by offering sample patterns as a guide for reenvisioning the shape of Baptist and other free church worship Dictionary of Modern American Philosophers John R. Shook, 2005-01-01 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought The Bloomsbury Encyclopedia of Philosophers in America John R. understanding leading figures in American thought and the development of American intellectual history **Circles in the Stream** Paul E. Koptak, 2022-04-28 Maybe we should read Genesis 37 50 as the story of Joseph and Judah Both kept their families alive and received major blessings from their father Jacob Like his brother Joseph Judah knew how to use words to lead and persuade primarily by appealing to common experience His speeches model Kenneth Burke s rhetoric of identification inducing cooperation by showing his listeners how they are consubstantial that is where they stand together Preachers hope to do the same making gospel connections between ancient texts and life today Circles in the Stream shows that the connections are there in the Scripture text freeing preachers from the pressure to find contemporary illustrations Adapting Burke s literary rhetorical approach to reading Paul Koptak offers ever widening circles of reading to that end Indexing a passage and looking for identification there lead to the transformative purpose and life issue Intertextual study a combination of both discovers these connections in the wider two testament canon Circles in the Stream offers both a distinct perspective for reading Scripture and practical steps for in depth study Its method can make sermon preparation more efficient and effective More importantly it leads to the life issues that listeners want their preachers to address *The Princeton Seminary Bulletin* Princeton Theological Seminary, 1998 Vols for 1907 1908 1936 1937 no 1 Commencement issue no 2 Necrology report no 3 News no 4 Catalogue v for 1937 1938 1938 1939 no 1 3 News no 2 Bulletin of courses no 4 Catalogue v for 1939 1940 1944 1945 no 1 4 News no 2 Bulletin of courses no 3 Catalogue v for 1945 1946 no 1 Bulletin of courses no 2 4 News no 3 Catalogue v for 1946 1947 1952 1953 no 1 3 4 News no 2 Catalogue Ecotheology and Nonhuman Ethics in Society Melissa Brotton, 2016-11-30 This book promotes Christian ecology and animal ethics from the perspectives of the Bible science and the Judeo Christian tradition In an age of climate change how do we protect species and individual animals Does it matter how we treat bugs How does understanding the Trinity and Christ s self emptying nature help us to be more responsible earth caretakers What do Christian ethics have to do with hunting How do the Foxfire books of Southern Appalachia help us to love a place Does ecology need a place at the pulpit and in hymns How do Catholic approaches past and present help us appreciate and respond to the created world Finally how does Jesus respond to humans nonhumans and environmental concerns in the Gospel of Mark *Pro Ecclesia* , 1999 *Planting Healthy Churches for an Unchurched Community: Leaving a Legacy to Build On* Nakia Melecio, 2016-11-18 Planting new churches is a dedicated response and reasonable service to fulfilling God s mission This critical church planting is not only the focus of today s Christians but it is also the theological and practical subject of numerous Christian studies that tout scripturally based work for shoring up today s church Nakia Melecio is answering God s call to support local churches both old and new and the outcry of God s people in a heartfelt attempt through conferences workbooks websites and many other substantive pathways for spiritual founding and healing Church planting is necessary but it is no easy feat Nakia Melecio s ministry will help struggling churches to reinvent themselves and new churches to plant firmly and deeply on solid rock Through steadfast
