Kens Guide To The Bible:

Ken's Guide to the Bible Ken Smith,1995 An insider s guide to the Bible with a focus on sex gore and lunacy **Bro.**
Ken's Guide to Fun & Games with the Bible Kenneth C. Featherston,1987 **Off the Hook** Earl Wayne Heflinger,2018-03-15 The author uses his own personal storyof being born into a Christian fundamentalist family with extreme beliefsto paint a vivid picture of what life is like in toxic ideologies such as fundamentalist religion The book has three parts The first describes the spiritual abuse of his childhood due to stifling rules and restrictions inflicted by his parents caught up in their churchs teachings on his thought processes and behavior The remarkably poignant stories show in painful detail how his self esteem was crushed how he was never intended to think for himself and how he was made to feel different and totally out of place in the worldall by loving but misguided parents During his school days his social life was severely stunted because he felt like an outsider everywhere but in church The second part discusses his lifelong struggle with spiritual healing and his transition from a spoon fed belief system to a personally chosen worldview He thoughtfully muses about all the significant elements of religious spiritual belief systemsGod Jesus the Bible sin morality science life after death marriage divorce and othersand contrasts his evolving beliefs with those of organized religion This is presented to give the reader a comprehensive illustration of how one particular seeker has constructed a personalized belief system through continual rethinking and updated understanding The third part calls on the authors advanced education and professional experience in business and government in analyzing and developing systems and procedures It describeswith a wealth of tips and checkliststhe process by which he escaped a toxic ideology and came to feel intellectually free and off the hook It ends with heartfelt encouragement for anyone similarly affected by repression to accept all available helpful resources and muster the determination to claim their personal power Jesus Is the Way, Truth, Life Michael Pietrzyk,2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don t

laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest 1 + 1 = God Michael Pietrzyk,2017-06-15 What do you do when family and friends doubt the existence of God How do you respond and are your Christian core beliefs on solid ground Mike decided to research the atheist beliefs and confirm his natural belief in God and Jesus Over three years Mike read no less than eighty four books by both Christian and atheist authors and reviewed multiple debates between Christians and atheists In doing so he established his common sense viewpoints that God s wisdom is present in this Universe Mankind Salvation and the Supernatural This book is a compilation of Mike s common sense viewpoints which are simple to understand They are substantiated through the research writings of various Christian authors The main concern of this book is that when your spirit leaves this life you will have eternal happiness in the presence of Jesus Validation of Mike s confirmation is his own supernatural experience of God s protection which was outside the boundaries of science The atheist premise that nothing happens outside the rules of science falls apart with Mike s experience and the experiences of many many others This book is an excellent source not just if you are searching for answers about Christianity and atheism but it s an affirmation that God is love **Oh, Your God!** Joshua Kelly,2016-01-05 This book is not just for atheists but for antitheists for people who celebrated the writing of Christopher Hitchens and miss his voice Making the provocative assertion that the entire enterprise of organized religion is a thing for which the world and our species would have been better without Oh Your God follows in the footsteps of the material observations of Lucretius Epicurus and Democritus and the more recent antitheistic arguments of Christopher Hitchens and Richard Dawkins Drawing from timeless philosophers modern debates historical events and current social climes Joshua Kelly illustrates the shameful and debilitating damage religion has caused and continues to cause whether to our psyches our bodies our societies or our world Citing the murders of Nigeria s witch children the subversion of sexual emancipation the tethers of slavery the attacks of September 11 the pseudomorality of monotheistic mythology the subjugation of women and much more he provides an abundance of damning evidence to back up his claims Only by acknowledging and grappling with the real and potential dangers of religion he argues will we be able to thrive and develop as a species **A Time to Reason , The Ken Commandments** Ken Baker,2017 The author describes how he re embraced his Christian heritage and regained his spiritual center after abandoning it for twenty years in the fairy tale world of Hollywood Net.people Thomas E. The Oxford Handbook of Biblical Monsters Associate Professor of Biblical Studies and Academic Dean Brandon R Grafius,Brandon R. Grafius,Adjunct Instructor in New and World Religions John W Morehead,John W. Morehead,2025 The Oxford Handbook of Biblical Monsters brings together the work of world renowned scholars in Bible theology religion and cultural studies to explore the monsters that rampage through the biblical text Essays provide in depth analysis of the Ancient Near Eastern background of these creatures explore how they have

continued to live on after the biblical text and discuss how they remain impactful through art and literature today The chapters not only study where monsters came from but continually focus on what they mean and how these meanings are generated These chapters work to bridge the perspectives of traditional scholarship and more postmodern ideas of monsters as cultural and rhetorical constructions There are chapters on the Ghosts of Mesopotamia Leviathan and the Giants but also on the Monstrous Jew in the Gospels and the Monstrosity of the Crucifixion They serve both as foundational pieces of research for scholars looking to familiarize themselves with monsters and discourses of monstrosity but also as creative and provocative examinations of how these monsters generate meaning While working to summarize the research that has been done on biblical monsters up to the present day this Handbook points the way forward towards new and exciting studies in unnatural creatures and the rhetoric of horror

Reformation of Prayerbooks Chaoluan Kao,2017-11-13 In her study Chaoluan Kao offers a comprehensive investigation of popular piety at the time of the European Reformations through the study of sixteenth and seventeenth century Protestant prayerbooks It pursues a historical contextual approach to spirituality by integrating social and religious history in order to yield a deeper understanding of both the history of Christian piety and of church history in general The study explores seven prayerbooks by German authors and seventeen English prayerbooks from the Reformation and post Reformation as well as from Lutheran Anglican and Puritan traditions examining them as spiritual texts with social and theological significance that helped disseminate popular understandings of Protestant piety Early Protestant piety required intellectual engagement emphasized a faithful and heartfelt attitude in approaching God and urged regular exercise in prayer and reading Early Protestant prayerbooks modeled for their readers a Protestant piety that was a fervent spiritual practice solidly grounded in the social context and connections of its practitioners Through those books Reformation could be understood as redefining the meanings of people s spiritual lives and re discovering of a pious life In a broader sense they functioned as a channel of historical and spiritual transition which not only tells us the transformation and transmission of Reformation historically but also signifies the development of Christian spirituality The social historical study of the prayerbooks furthers our understanding of continuity change and inter confessional influence in the Christian piety of early modern Europe
