*The Confidence-man* Herman Melville,2007 A scathing razor sharp satire set on a New Orleans bound riverboat The Confidence Man exposes the fraudulent optimism of so many American idols and idealists Ralph Waldo Emerson Henry David Thoreau and P T Barnum in particular and draws a dark vision of a country being swallowed by its illusions of progress Why is Dalkey Archive doing yet another edition of The Confidence Man And why is it doing Melville at all First this edition originally published by Bobbs Merrill over forty years ago contains remarkable annotations by H Bruce Franklin intended for both the general reader and the scholar It s an edition we have long admired More importantly we believe that The Confidence Man is America s first postmodern novel game like darkly comic and completely inventive

*When Blackness Rhymes with Blackness (Dalkey Archive Scholarly Series)* Rowan Ricardo Phillips,2010-07-20 Lyrical provocative and highly original a groundbreaking book by one of America s smartest young poet critics In *When Blackness Rhymes with Blackness* Rowan Ricardo Phillips pushes African American poetry to its limits by unraveling our desire to think of African American poetry as African American poetry Phillips reads African American poetry as inherently allegorical and thus a successful shorthand for the survival of a poetry but unsuccessful shorthand for the sustenance of its poems Arguing in favor of the counterintuitive imagination Phillips demonstrates how these poems tend to refuse their logical insertion into a larger vision and instead dwell indefinitely at the crux between poetry and race where when blackness rhymes with blackness it is left for us to determine whether this juxtaposition contains a vital difference or is just mere repetition From *When Blackness Rhymes with Blackness* Phillis Wheatley like the epigraphs that writers fit into the beginning of their texts is first and foremost a cultural sign a performance It is either in the midst of that performance at a concert or in that performance s retrospection in a cafe that a retrievable form emerges from the work of a poet whose biography casts a far longer shadow than her poems ever have Next to Langston Hughes of all African American poets Wheatley s visual image carries the most weight recognizable to a larger audience by her famed frontispiece her statue in Boston and the drama behind the publication of her book *Poems on Various Subjects Religious and Moral* All of this will be fruit for discussion in the pages that follow Yet I will also be discussing the proleptic nature with which African American literature talks if you will Phillis Wheatley
