Macroeconomics And The Japanese Economy

Hiroshi Yoshikawa

Macroeconomics And The Japanese Economy:

Macroeconomics and the Japanese Economy Hiroshi Yoshikawa, 1995 This book proposes a new approach to macroeconomics which draws upon the experience of the Japanese economy the approach is similar to the Old Keynesian view it rejects the Walrasian approach and singles out real demand as the fundamental determinant of output in the economy as a whole However by maintaining that real demand constraints are important not only in the short run but in the long run it goes beyond what is normally understood as the Keynesian approach This book is also very different from the New Keynesian Economics In particular it regards the rigidity of nominal wages prices as of secondary importance _ To show that a new approach is called for Professor Yoshikawa provides both theoretical exercises and numerous empirical analyses of the Japanese economy His arguments are extensively illustrated by almost 200 figures and tables of data *The Japanese Economy* David Flath, 2000 Despite recent upheavals Japan remains one of the dominant economic powers at the end of the twentieth century Yet the Japanese economy is one of the most misunderstood phenomena in the modern world Aimed at graduate courses on Japan this book will be indispensable both for students and instructors alike Lucid explanations and comprehensive and rigorous analysis make it a natural choice for any interested in comprehending the rise of the Japanese economy

The Japanese Economy Reconsidered M. Itoh, 2000-11-17 The Japanese economy has shown paradoxical changes Its successes in forming a company centred society generated the long downturn toward zero growth capitalism Successful spread of information technologies resulted in deterioration of economic life among working people and a wide fall in birth rate At the zenith of the Japanese model of company system a huge bubble swelled so as to prepare a prolonged depression throughout the 1990s Neoliberalism with spiral reversal of capitalist development toward more competitive markets rather promoted difficulties among people A lucid reconsideration of neoliberalism through concrete Japanese experiences

Lessons from the Macroeconomic Performance of the Japanese Economy Kōichi Hamada, 1983

Organization, Performance and Equity Ryuzo Sato, Rama V. Ramachandran, Hajime Hori, 2012-12-06 Organization Performance and Equity Perspectives on the Japanese Economy provides an analysis of key components of the Japanese economy and business structures edited by two leading American based Japan scholars The contributions to this book are grouped into four major categories organizations income distributions technological progress and macro performance The first section examines the retail sector the role of information in evaluating distribution systems and ownership structures and their effect on welfare all in the context of the Japanese economy The second section concerns issues of Japanese tax structures growth and income transfers while the third section focuses on technology and productivity The concluding section addresses major macro issues like trade and the value of the yen *The Japanese Economy* Takatoshi Itō, 1992 An introduction to the Japanese economy based on a comparative perspective and an analytic approach grounded in mainstream economics It compares Japan with the United States in terms of economic performances institutions and government policies

and also scrutinizes the Japanese economy **Contemporary Japanese Economy and Economic Policy** Heizō Takenaka, 1991 **The Japanese Economy** Victor Argy, Leslie Stein, 1996-11-04 The book offers a concise account of modern Japanese economic history and the essence of postwar macroeconomic issues and policy The nature of the Japanese corporation labour relations and technological innovations are discussed with three chapters devoted to Japan's international economic relations and trade surplus service sector including distribution health and education and with Japan's quality of life relating to matters such as pollution and urbanisation *The Holy Grail of Macroeconomics* Richard C. Koo, 2011-11-21 The revised edition of this highly acclaimed work presents crucial lessons from Japan's recession that could aid the US and other economies as they struggle to recover from the current financial crisis This book is about Japan's 15 year long recession and how it affected current theoretical thinking about its causes and cures It has a detailed explanation on what happened to Japan but the discoveries made are so far reaching that a large portion of economics literature will have to be modified to accommodate another half to the macroeconomic spectrum of possibilities that conventional theorists have overlooked The author developed the idea of yin and yang business cycles where the conventional world of profit maximization is the yang and the world of balance sheet recession where companies are minimizing debt is the yin Once so divided many varied theories developed in macro economics since the 1930s can be nicely categorized into a single comprehensive theory *The Holy Grail of Macro Economics* **Japan's Lost Decade** Naoyuki Yoshino, Farhad Taghizadeh-Hesary, 2017-09-20 This book discusses Japan's long term economic recession and provides remedies for that recession that are useful for other Asian economies The book addresses why Japan's economy has stagnated since the bursting of its economic bubble in the 1990s Its empirical analysis challenges the beliefs of some economists such as Paul Krugman that the Japanese economy is caught in a liquidity trap This book argues that Japan's economic stagnation stems from a vertical investment saving IS curve rather than a liquidity trap The impact of fiscal policy has declined drastically and the Japanese economy faces structural problems rather than a temporary downturn These structural problems have many causes an aging demographic a problem that is frequently overlooked an over reliance by local governments on transfers from the central government and Basel capital requirements that have made Japanese banks reluctant to lend money to start up businesses and small and medium sized enterprises This latter issue has discouraged Japanese innovation and technological progress All these issues are addressed empirically and theoretically and several remedies for Japan's long lasting recession are provided This volume will be of interest to researchers and policy makers not only in Japan but also the People's Republic of China many countries in the eurozone and the United States which may face similar challenges in the future *The Japanese Economy During the Great Depression* Masato Shizume, 2021-09-25 This book provides a systematic explanation of a remarkable policy innovation in an emerging economy in the modern world In doing so it highlights the nature of the Japanese economy during the interwar period It offers a canonical case study for an international

macroeconomic policy of a small and open economy Readers can draw lessons from the Japanese experience in the 1930s recalling what kinds of challenges policymakers faced in a crisis situation what they can do and what they should not do As a whole it is a novel reference both for scholars in economic history and international economics and for policymakers all over the world A comprehensive and clear cut picture of the Japanese economy during the Great Depression in the 1930s is presented including the policy innovations brought about by an iconoclastic finance minister Korekiyo Takahashi at that time To this end the book integrates the narrative analysis based on newly available archival documents and the quantitative analysis based on newly constructed macroeconomic data and contemporary econometric methodologies This work shows how Japan escaped from the depression in its early stage It illustrates a transmission mechanism of the macroeconomic stimulus package of currency depreciation easy money and fiscal expansion As well it argues that the key for economic recovery was currency depreciation and that expectations played a pivotal role in ending deflation and kick starting economic recovery Also contained here is an exploration of politico economic interaction in the shaping of economic policy and the long term consequences of policy actions such as departure from the gold standard and initiation of the government debt finance by the central bank It is shown that the collapse of the international gold standard and the lack of governance of military spending resulted in a loss of fiscal discipline in the long run

The Japanese Economy During the Great Depression Masato Shizume, 2021 This book provides a systematic explanation of a remarkable policy innovation in an emerging economy in the modern world In doing so it highlights the nature of the Japanese economy during the interwar period It offers a canonical case study for an international macroeconomic policy of a small and open economy Readers can draw lessons from the Japanese experience in the 1930s recalling what kinds of challenges policymakers faced in a crisis situation what they can do and what they should not do As a whole it is a novel reference both for scholars in economic history and international economics and for policymakers all over the world A comprehensive and clear cut picture of the Japanese economy during the Great Depression in the 1930s is presented including the policy innovations brought about by an iconoclastic finance minister Korekiyo Takahashi at that time To this end the book integrates the narrative analysis based on newly available archival documents and the quantitative analysis based on newly constructed macroeconomic data and contemporary econometric methodologies This work shows how Japan escaped from the depression in its early stage It illustrates a transmission mechanism of the macroeconomic stimulus package of currency depreciation easy money and fiscal expansion As well it argues that the key for economic recovery was currency depreciation and that expectations played a pivotal role in ending deflation and kick starting economic recovery Also contained here is an exploration of politico economic interaction in the shaping of economic policy and the long term consequences of policy actions such as departure from the gold standard and initiation of the government debt finance by the central bank It is shown that the collapse of the international gold standard and the lack of governance of military spending resulted in a loss of fiscal discipline in the long

run **The Japanese Economy, second edition** Takatoshi Ito,Takeo Hoshi,2020-01-28 The second edition of a comprehensive account of all the major aspects of the Japanese economy substantially updated and expanded This textbook offers a comprehensive rigorous but accessible account of all the major aspects of the Japanese economy grounding its approach in mainstream economics The second edition has been extensively revised and substantially updated with new material that covers Japan s period of economic stagnation between 1991 and 2010 The first edition published in 1992 focused on Japan as a success story of catch up economic development this edition reflects the lessons learned from Japan s Lost Two Decades After presenting the historical background the book begins with macroeconomics studying growth and business cycles It then covers essential policy issues with new material that takes into account the Japanese banking crisis of 1997 1998 and the global financial crisis of 2008 2009 discussing financial regulation monetary policy and fiscal policy It goes on to examine saving demography and social security in light of Japan s ongoing demographic transition industrial organization labor markets international trade and international finance and the Japan U S relationship A new chapter offers a detailed analysis of the Lost Two Decades synthesizing and applying concepts discussed in previous chapters and offering insights into such issues as successful catch up growth demographic shifts and credit booms and busts The Japanese Business and Economic System M. Nakamura,2001-01-11 Emerging from ten years of post bubble recession the Japanese business and economic system will need to enter a period of radical restructuring in order to return to the growth of former years and maintain its influential position in the development of new technologies Japan s choices for the future will have a major impact on its global trading partners In this edited collection of papers an international range of contributors discuss the fundamental issues faced by the Japanese business and economic system from historical analytical and empirical perspectives Their conclusions combine to present a view of the path Japan should take to restore its economy to optimal growth in the 21st century and show how this path will affect global markets Crisis Or Recovery in Japan David Bailey,2007-01-01 Explores Japan s economic crisis and recovery analysing the role of corporations the state macroeconomic and industrial policy and the changing status of Japan as an economic role model This book covers such topics as the relevance of Western economic models to the Japanese case and the Japanese macro economy and financial system

Public Policies and the Japanese Economy Toshiaki Tachibanaki,2016-07-27 The book examines the effect of various public policies on economic performance in Japan Various public policies include tax policy regulation macroeconomic policy labour policy and some others Many fields regarding economic performance are covered in this book savings portfolio choice housings investments cost of capital taxes unemployment wages inequality etc Emphasis is placed on the examination of the two factor markets namely the capital and labour markets in Japan **The Japanese Economy in Retrospect** Gary R. Saxonhouse,2010 Gary R Saxonhouse was one of the leading world scholars on Japanese economy Born in New York City in 1943 he attended Yale University where he received his PhD in Economics in 1971 He joined the Faculty of Economics at the

University of Michigan beginning in 1970 where he taught throughout his career The selection of his published papers that comprises this two volume publication is a testimony and tribute to his remarkable accomplishments and influence that were cut short by his untimely death in November 2006 following a battle with leukemia Volume I contains a selection of his published papers that have been instrumental in enhancing the understanding of Japan's modern economic history focusing in particular on the Japanese cotton spinning industry Volume II features a selection of his published papers that look at how Japan's technology and innovation were key in promoting Japan's economic success how its economy was shaped by its comparative advantage and related policies and how its macro financial policies were implemented in the course of its economic growth after World War II *Accelerating Japan's Economic Growth* F. Gerard Adams, Lawrence R.

Klein, Kumasaka Yuzo, Shinozaki Akihiko, 2007-09-12 This volume presents an up to date study of the current state and future of Japanese economic growth arguing that an information and communications technology revolution could revive Japanese economic growth **Macroeconometric Modeling Of Japan** Shinichi Ichimura, Lawrence R Klein, 2010-08-10 This book offers the representative macroeconometric models and their applications for the Japanese economy in different development stages throughout the postwar years up to the present It presents a summary of three types of macroeconometric models and analyses As many Asian economies are going through the stages of development that Japan has experienced over the past few decades this book will be extremely relevant to them and other developing countries as a reference for years to come

Economic Development Of Japan, 2016-07-27 In this book Ryoshin Minami studies the last hundred years of Japan's remarkable economic growth from the Meiji period up to the present day First he reveals the factors which account for Japan's successful economic take off during the Meiji period Second he explains why Japan achieved a more rapid rate of economic growth than other developed countries This forms the major part of the book and will interest those in the developed countries who have felt the full force of Japan's export drive and whose own industries are consequently in decline Finally the author evaluates the results of Japan's economic growth and makes predictions for the future The book makes a comprehensive survey of the Japanese experience in the pre and post war periods and points out lessons not only for developed countries but also for developing countries

Macroeconomics And The Japanese Economy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Macroeconomics And The Japanese Economy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Macroeconomics And The Japanese Economy has opened up a world of possibilities. Downloading Macroeconomics And The Japanese Economy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Macroeconomics And The Japanese Economy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Macroeconomics And The Japanese Economy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Macroeconomics And The Japanese Economy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Macroeconomics And The Japanese Economy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Macroeconomics And The Japanese Economy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Macroeconomics And The Japanese Economy Books

1. Where can I buy Macroeconomics And The Japanese Economy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
