In addition, you may need a Course ID provided by your instructor to register for and use MyLab and Mastering platforms. For courses in Economics: An engaging, practice-oriented approach to understanding core economic principles. Foundations of Macroeconomics, 8th Edition introduces readers to the economic principles they can use to navigate the financial decisions of their futures. Each chapter concentrates on a manageable number of ideas, usually 3 to 4, with each reinforced several times throughout the text. This patient approach helps guide individuals through unfamiliar terrain and focus them on the most important concepts. The text does four core things to help readers grasp and apply economic principles: it motivates with compelling issues and questions, focuses on core ideas, offers concise points, and encourages learning with activities and practice questions. After completing

this text readers will have the foundational knowledge of how the economy works and can apply it to their lives going forward Also available with MyLab Economics MyLab™ Economics is an online homework tutorial and assessment program designed to work with this text to engage students and improve results Within its structured environment students practice what they learn test their understanding and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts If you would like to purchase both the loose leaf version of the text and MyLab Economics search for 0134641868 9780134641867 Foundations of Macroeconomics Student Value Edition Plus MyLab Economics with Pearson eText Access Card Package 8 e Package consists of 0134515897 9780134515892 Foundations of Macroeconomics Student Value Edition 0134518373 9780134518374 MyLab Economics with Pearson eText Access Card for Foundations of Macroeconomics *Principles of Macroeconomics 5e Instructor Copy* Timothy Taylor, 2020 Macroeconomics Mylab Economics Combo Card Andrew Abel, Dean Croushore, Ben Bernanke, 2019-05-14 NOTE Before purchasing check with your instructor to ensure you select the correct ISBN Several versions of the MyLab™ and Mastering™ platforms exist for each title and registrations are not transferable To register for and use MyLab or Mastering you may also need a Course ID which your instructor will provide Used books rentals and purchases made outside of Pearson If purchasing or renting from companies other than Pearson the access codes for the MyLab platform may not be included may be incorrect or may be previously redeemed Check with the seller before completing your purchase For courses in intermediate macroeconomics This ISBN is for the MyLab combo card which includes the MyLab access card Pearson eText and loose leaf print edition delivered by mail A unified approach to economic theory Demonstrating a balanced treatment of both classical and Keynesian economics Macroeconomics presents macroeconomic theory in a big picture way Comprehensive coverage makes it easy for instructors to align chapters to fit their own syllabi and the text helps students analyze real macroeconomic data used by policy makers and researchers This text takes a unified approach based on a single economics model that provides students with a clear understanding of macroeconomics and its classical and Keynesian assumptions The 10th Edition features new applications boxes and problems throughout It also reflects recent events and developments in the field such as the recent crisis in the US and Europe and the many new tools used by the Federal Reserve in response Personalize learning with MyLab Economics By combining trusted author content with digital tools and a flexible platform MyLab personalizes the learning experience and improves results for each student *Macroeconomics* R.
