infections far worse than before Yosemite's fully contained zombie population breaks out and now it appears that animals are carrying the infection as well. The walled off zombie overrun city of Bakersfield is attacked and eventually obliterated but still there's no going back as the virus slowly overtakes a nation hell bent on containing it. Jordache Dale has heeded Golem's call and is traveling west like a Typhoid Mary leaving a path of viral destruction in her wake. Bobby Baltimore has gone to Yosemite to repent and live the rest of his life as a zombie. Park Rangers Brie and Ramon have discovered something they really didn't want to know while Parvati Bahl, mayor of the neighboring town, works to keep their community from falling apart. And BDS agents Krystopher Bryce and Alexander Zakrey are forced to make a new deal with an old devil. But this time the virus is spreading too fast for anyone to stop. And with Archibald Burgess still up to his old tricks, his evil clarifier henchman wreaking havoc across the nation and anti necrotic hate groups popping up across the country, the dead have never been more alive.

Maternal Instinct Becky Masterman, 2023-12-05 Think moving in with your mother in law is your worst nightmare. You have no idea. A jaw dropping novel of domestic suspense from the author of the critically acclaimed Brigid Quinn series. Chilling smart and what a voice. Gillian Flynn on *Rage Against the Dying*. A thriller that must be read. Lisa Gardner on *Rage Against the Dying*. Don't let them know what you're thinking. Althea Deming tells herself. It's your best defense. Althea didn't want her good natured but thoughtless step son Hal and manipulative daughter in law Grace to move in with her, relegating her to a corner of the house that was once just hers but she doesn't have much choice. She's been powerless since her beloved husband Robert's death. According to the will, everything that was hers now belongs to Hal and to Grace. Grace Deming didn't want to uproot her family to care for her difficult mother in law but she's determined to make the best of it for the sake of her daughter Shyla's future. Their new home is enormous, the neighborhood prestigious. If the worst of it is that Althea dislikes her, she can cope. After all, Althea Deming is a sweetheart. Everyone says so. Her husband. The neighbors. And soon so does Shyla, the once vibrant and happy child, now a shadow of her former self. What's wrong with Grace that she can't trust her? But all her instincts are screaming at her that Althea is dangerous and if she doesn't fight to protect her family from her malign influence, she'll live to regret it.
