Africa's Social and Religious Quest Randee Ijatuyi-Morphé, 2014-01-30 This well crafted book probes the key dimensions of Africa's existential predicament It constitutes an intellectual response to a gnawing African situation the starting point for grasping Africa's social and religious quest Beyond split explanations of external versus internal factors e.g. colonization slavery vs leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation The situation reflects a gamut of problems in traditional African religion and material culture which hitherto defines African communality politics and destinies vis-à-vis the cosmos and nature Thus African religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post modernity Rather they operate via adaptation The communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are This study takes an integrative approach to

religion society and civilization eschews dichotomies and broadly defines and re signifies life and wholeness as a true end of Africans quest today

Ethnicity and Democracy in Africa Bruce Berman,Dickson Eyoh,Will Kymlicka,2004-09-30 The politics of identity and ethnicity will remain a fundamental characteristic of African modernity For this reason historians and anthropologists have joined political scientists in a discussion about the ways in which democracy can develop in multicultural societies In Ethnicity and Democracy in Africa the contributors address why ethnicity represents a political problem how the problem manifests itself and which institutional models offer ways of ameliorating the challenges that ethnicity poses to democratic nation building

Imagining Vernacular Histories Mobolanle Ebunoluwa Sotunsa,Abikal Borah,2020-08-17 Imagining

Vernacular Histories is centered on the idea of engaging with indigenous African cosmologies that signal at pluriversality In conversation with Toyin Falola s reading of the African pluriverse and his exploration of the idea of ritual archives the contributors to this volume rethink the historical archive in search of vernacular histories Simultaneously they recognize the contributions from various other disciplines in pluralizing the term vernacular The book brings together a wide range of topics such as reflections on African historiography the relationship between memory history and literature gender relations and the construction of historical archives While appropriating Falola s conception of vernacular histories the contributors collectively argue that pluriversality and ritual archives can potentially rescue African historical and creative scholarship from the sustained practices of epistemicide Simultaneously Imagining Vernacular Histories focuses on the emerging interdisciplinary conversations on constructing the pluriverse as well as on the geopolitics of knowledge production Through a critical appreciation of Falola s engagement with the ideas of postcoloniality decolonizing epistemologies and pluriversality this book locates his scholarship in relation to postcolonial theory emerging from the Global South
