Argüden, 2011-10-12 Good governance is key to the sustainability of organizations and improving quality of life for all Governance is much more than a set of rules it is a culture and a climate of responsibility accountability and fairness that is deployed throughout an institution In this new book the author outlines the keys to good governance **The Gift of Governments** Dag Heward-Mills, 2022 In 1 Corinthians 12 28 the Bible tells us about a number of gifts that God has made available in the church These different gifts together help the church of God to forge ahead with strength The gift of governments is one of the gifts that God has set in the church How should the leadership of the church be conducted What should the leaders of the church do The Bible clearly states Obey them that have the rule over you and submit yourselves for they watch for your souls as they that must give account that they may do it with joy and not with grief for that is unprofitable for you We are to take the gift of governments seriously and this priceless book by Dag Heward Mills will help your church leadership church administration and church government in a practical every day way E-Government for Good Governance in Developing Countries Driss Kettani, Bernard Moulin, 2014-05-01 Drawing lessons from the eFoz Project in Morocco this volume offers practical supporting material to decision makers in developing countries on information and communication technologies for development ICT4D specifically e government implementation The book documents the eFoz Project experience in all of its aspects presenting the project s findings and the practical methods developed by the authors a roadmap impact assessment framework design issues lessons learned and best practices in their systematic quest to turn eFoz s indigenous experimentations and findings into a formal framework for academics practitioners and decision makers The volume also reviews analyzes and synthesizes the findings of other projects to offer a comparative study of the eFoz framework and a number of other e government frameworks from the growing literature **Energy and Good Governance in Bulgaria** Ruslan Stefanov, 2011 **Keys to Good Government** Barton David, 2001-06-18 *Stand Up, America!-A Grassroots Bible Study to Restore Righteousness to the Land* Carole J Keller, 2006-03 Keller explores America s spiritual roots a self government flowing from God s covenant with the people She also discusses the biblical principles for restoration of those values Social Issues *God and Caesar* Stephen M. Hudson, 2016-06-25 This book evaluates the democratic theory of America s Christian Right CR The CR has been examined

extensively in academic literature. However, most analyses focus on its origins, policy preferences, or successful mobilization. Hudson instead examines the normative assumptions about governance that inform CR activism. The CR has its own answers to the core questions asked in democratic theory, such as: What legitimizes power? and What is the proper relationship between the state and the individual? The author outlines ten normative assumptions of the CR and compares each to its counterpoint in liberal democratic theory. Much of what the CR believes about democracy comes from the same authors as modern and postmodern democratic theory, but differs in its interpretation and application. The book describes in detail the theory of CR and demonstrates how the CR operates from a different view of governance than is usually associated with the United States.

Good Governance in the Era of Global Neoliberalism Jolle Demmers, Alex E. Fernández Jilberto, Barbara Hogenboom, 2004-08-02. This new collection critically examines the new global policy of good governance. This catchphrase of aid policy and development thinking has been the subject of too little analysis to date. This book redresses the balance. It places the prefix 'good' and exactly what that means under the microscope and examines the impact of neoliberal governance in a wide range of countries and territories, including Chile, Russia, Argentina, and Indonesia.
