Mabs Daughters Shelleys Wives And Lovers Their Own Story:

Biofictions Martin Middeke, Werner Huber, 1999 Biofictions sets out to explore this renewed interest in Romantic artist figures in the context of the current renaissance of life writing Comparative Literature Asun López-Varela Azcárate, 2024-01-17 Comparative Literature Interdisciplinary Considerations is a wide ranging exploration of various aspects of comparative literature and cultural phenomena from different angles The authors delve into intriguing topics such as literary tourism biofiction colonial postcolonial literature suspense in literature and the interaction between different artistic mediums For instance the analysis of Gabriel García Márquez's works sheds light on the genres of magic realism and the Latin American boom as well as how his literature influences literary tourism experiences Another example is the study of Anna Enquist's work which showcases the genre of biofiction and examines the complex messages conveyed through reconstructed voices and alternative perspectives including the portrayal of Captain Cook's wife This is compared with historical accounts of the 18th century Ottoman Empire during Sultan Selim III's reign as studied by Stanford Shaw in *Between Old and New* The book also explores the theme of unease and suspense in Patricia Highsmith's writing focusing on her iconic character Tom Ripley known for his psychological depth and morally ambiguous nature Additionally discussions on colonial postcolonial literature and the representation of women's restrictions from a historical perspective contribute to a better understanding of power dynamics gender representation and non Western literature Henri Fauconnier's *Malaisie* is analyzed in the context of paracolonality highlighting the transformative potential of Western texts and emphasizing overlooked aspects in discussions of colonial and postcolonial literature The volume offers valuable insights into the representation of nations and historical figures through Malay and Persian travel narratives as well as their influence on cultural identity Moreover the chapters explore the evolution of literary genres the interconnectedness of literature with other art forms and the impact of technological advancements on artistic expression Overall this book provides valuable perspectives on the rich tapestry of literature art and culture It encourages scholars to explore diverse cultural expressions and fosters interdisciplinary dialogue within the field of comparative literature *Imagining Gender in Biographical Fiction* Julia Novak, Caitríona Ní Dhúill, 2022-12-15 This volume addresses the current boom in biographical fictions across the globe examining the ways in which gendered lives of the past become reimagined as gendered narratives in fiction Building on this research this book is the first to address questions of gender in a sustained and systematic manner that is also sensitive to cultural and historical differences in both raw material and fictional reworking It develops a critical lens through which to approach biofictions as fictions of gender drawing on theories of biofiction and historical fiction life writing studies feminist criticism queer feminist readings postcolonial studies feminist art history and trans studies Attentive to various approaches to fictionalisation that reclaim appropriate or reinvent their raw material the volume assesses the critical revisionist and deconstructive potential of biographical fictions while acknowledging the effects of cliché gender norms and established

narratives in many of the texts under investigation The introduction of this book is available open access under a CC BY 4.0 license at link.springer.com Chapter 1 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com

Percy Bysshe Shelley Paul Hamilton, 2000 This book offers a new interpretation of Shelley's major writings in relation to key aesthetic philosophical and political themes of his day *English and American studies in German*, 1999

The Selected Works of Margaret Oliphant, Part I Volume 2 Joanne Wilkes, 2024-05-31 Margaret Oliphant 1828-97 had a prolific literary career that spanned almost fifty years She wrote some 98 novels fifty or more short stories twenty-five works of non-fiction including biographies and historic guides to European cities and more than three hundred periodical articles This is the most ambitious critical edition of her work *The Law Times*, 1897 [Ms. Magazine](#)

Gloria Steinem, Robin Morgan, Joanne Edgar, Patricia Theresa Carbine, Nina Finkelstein, Letty Cottin Pogrebin, 1975

The Busiest Man in England P. Morton, 2005-04-15 This book is a critical biography of Grant Allen 1848-1899 the first for a century based on all the surviving primary sources Born in Kingston Ontario into a cultured and affluent family Allen was educated in France and England A mysterious marriage while he was an Oxford undergraduate wrecked his academic career and radicalized his views on sexual and marital questions as did a three-year teaching stint in Jamaica Despite his lifelong ill health and short life Allen was a writer of extraordinary productivity and range About half more than 30 books and many hundreds of articles reflects interests which ran from Darwinian biology to cultural travel guides His prosperity however was underpinned by fiction more than 30 novels including *The Woman Who Did* which has attracted much recent attention from feminist critics and historians *The Better End of Grub Street* uses Allen's career to examine the role and status of the freelance author-journalist in the late Victorian period Allen's career delineates what it took to succeed in this notoriously tough profession

[Shelley's Broken World](#) Bysshe Inigo Coffey, 2021 Shelley's *Broken World* aims to transform the philosophical scientific and aesthetic contexts in which Shelley is positioned It is the first study to refer to and include images of the unpublished Marlow List a record of the books Shelley left behind him on his departure for Italy in 1818 The book represents an exciting new departure in the study of a major Romantic poet

Death and the Maidens Janet Todd, 2013-09-19 1816 was the fateful year when the Romantic poet Shelley and his lover Mary shared a hectic creative and sexual menage in Switzerland with Lord Byron This intense period drew from the men some of the greatest poetry of the age from Mary it elicited the seminal figures of Frankenstein and his Creature But for other women close to Shelley it was a time of tragedy At the heart of the story are Fanny Wollstonecraft and Harriet Westbrook women whose lives were literally overwhelmed by him and who both committed suicide before the year was out Not only a splendid work of feminist history this is an important addition to late 18th and early 19th century literary criticism Publishers Weekly starred review
