Act III

Macbeth plans to overturn the witches' prophecy that Banquo's sons will become kings by sending two murderers to kill both Banquo and his son, Fleance. (i.) Macbeth no longer needs Lady Macbeth's involvement and bids her be "innocent of the knowledge" of his decisions. (ii.) A third murderer, obviously not known by the other two, joins them, and although Banquo is slain, Fleance escapes. (iii.)

At the banquet, Macbeth is terrified by the bloody ghost of Banquo. Since no one else sees the apparition, Lady Macbeth attempts to excuse his behavior and eventually has to end the banquet. Macbeth determines to visit the witches again. (iv.)

Suspicion of Macbeth is mounting, and Macduff joins Malcolm in England. (vi.)

Scene I

1. At the beginning of this scene, Banquo is giving a speech. What threat does Banquo pose to Macbeth? Why do you think he has kept the information about the witches to himself?
Banquo is suspicious—he knew the prophesy and could tell others. Banquo's sons are part of the prophesy.
2. What does the First Murderer mean in line 92 when he says, "We are men"? As men, they would not allow themselves to be disrespected. The outrage cannot go unpunished (echoes Lady Macbeth).

Scene II

3. From lines 4-7 of this scene, what has Lady Macbeth realized about her actions? How might this be a turning point for her character?
**Nothing is gained if still unhappy—
Paid a huge price –
Shows she is beginning to doubt their actions.**
4. Who does Macbeth feel is getting better sleep than he is at this point? What would cause him to say this?
The dead king Duncan sleeps better than Macbeth who continues to be robbed of sleep because of his guilt for committing such an unholy action.
5. Why do you think Macbeth creates a plan without letting Lady Macbeth in on it?
No longer needs her help. She tells him to let nature take its course and not to do anything.
6. *Dramatic irony* occurs when actions/ words of characters take on a different meaning than intended. What is the irony behind Macbeth's comments about disguising the couple's real conflict with Banquo?
Macbeth tells Lady Macbeth they need to disguise their feelings, but she doesn't know he is plotting Banquo's murder.

LaCroix,Richard H. McAdams,Martha Craven Nussbaum,2017 Writers of fiction have always confronted topics of crime and punishment This age old fascination with crime on the part of both authors and readers is not surprising given that criminal justice touches on so many political and psychological themes essential to literature and comes equipped with a trial process that contains its own dramatic structure This volume explores this profound and enduring literary engagement with crime investigation and criminal justice The collected essays explore three themes that connect the world of law with that of fiction First defining and punishing crime is one of the fundamental purposes of government along with the protection of victims by the prevention of crime And yet criminal punishment remains one of the most abused and terrifying forms of political power Second crime is intensely psychological and therefore an important subject by which a writer can develop and explore character A third connection between criminal justice and fiction involves the inherently dramatic nature of the legal system itself particularly the trial Moreover the ongoing public conversation about crime and punishment suggests that the time is ripe for

collaboration between law and literature in this troubled domain The essays in this collection span a wide array of genres including tragic drama science fiction lyric poetry autobiography and mystery novels The works discussed include works as old as fifth century BCE Greek tragedy and as recent as contemporary novels memoirs and mystery novels The cumulative result is arresting there are killer wives and crimes against trees a government bureaucrat who sends political adversaries to their death for treason before falling to the same fate himself a convicted murderer who doesn't die when hanged a psychopathological collector whose quite sane kidnapping victim nevertheless also collects Justice Thomas reading and misreading of Bigger Thomas a man who forgives his son's murderer and one who cannot forgive his wife's non-existent adultery fictional detectives who draw on historical analysis to solve murders These essays begin a conversation and they illustrate the great depth and power of crime in literature
