

This graceful craft offers more livable room, convenience, safety and high performance than any competitive boat. In our opinion, it is the largest sailboat that can be easily ramp launched and safely trailered. It is the fastest of the Ventures, and has built up an enviable racing record. The 24 and the 2-24 are exactly alike, except that the 2-24 has the "pop top," and the 24 has a standard cabin top.

You won't find this much room on many 20 footers. The pop top version has full 6'5" headroom (4'7" with the top down). A sliding hatch is incorporated in the pop top for easy access to the cabin when the top is lowered.

The large cockpit will seat 6 to 8 adults in comfort. The rear storage compartment will hold masts, anchors and other cruising and camping gear. Large as it is, the 24 can be launched and rigged in less than 15 minutes.

For sheer pleasure, try spending a weekend at anchor in a secluded cove . . . away from everything but the sun, the breeze and the blue sea. Or

try driving the boat hard in an exciting race or on a fast passage to a new harbor. Every day will be different, and every voyage will be an adventure.

(1) The top locks down with six wing nuts. After they are removed, the top pivots up and back on its support bars. (2) The top is pushed all the way back. It will stay in this position while the front support posts are slipped into their holders.

(3) The top is then moved forward and secured to the front support posts with wing nuts. (4) The cover is placed over the top, and the bottom of the cover is snapped to the deck. A waterproof zippered hatch is incorporated into the cover for easy access to the cabin.
