Johnny Stuart,2016-11-01 Rockers celebrates the biker style with panache and wit showing how a love affair between bikes and speed became the original touchstone of a youth cult which continues to fascinate and endure with its myths magic and melancholy In essence and although they did not know it rockers with their raw edginess studied cool and search for excitement sex and violence were icons Rockers achieves that rare marriage of immediacy and knowledge through research and first hand experience

ECMO: A Practical Guide to Management Ahmed Reda Taha,Mark Caridi-Scheible,Eric R. Leiendecker,Casey Frost Miller,2024-09-06 ECMO has in the last year advanced rapidly in its prevalence and ease of use It is becoming the standard of care for the management of severe ARDS however its adoption outside of relatively few large hospitals in primarily very wealthy nations has been limited This is in part improving as the cost of the equipment and associated resources decline however a significant barrier to its use is the expertise required to manage the patient There are only a few existing reference books on the topic but they suffer from being too comprehensive too basic too theoretical or else they are too expensive for the average practitioner or hospital system to use as general reference material for training This book is designed to be a practical guide to the management of ECMO by the entire ECMO team from specialists to physicians It discusses the core physiological principles necessary to the understanding of its management but also then discusses how to practically apply these principles on a day to day basis It is structured in a focused and concise manner with an emphasis on translating theory to actual equipment and patients through the use of visuals The book is divided into twelve individual sections that each contain various chapters The first section provides an introduction to the book itself as well as the authors The second section explains the history of ECMO The third section focuses on program development while the fourth section is all about patient selection The fifth section details physics and technology while the sixth and seventh sections break down the physiology The eighth section describes cannulation and configuration while the ninth focuses on complications and emergencies The remaining three sections detail patient management pharmacology and anticoagulation and weaning and decannulation Written by experts in the field ECMO A Practical Guide to Management targets bedside providers such as physicians and mid level providers however it is also a useful reference for nurses and respiratory therapists on the team While it contains sufficient advanced material to keep more seasoned practitioners engaged it also focuses on only the necessary and practical principles to appeal to a variety of readers Hill Country Courtship Laurie Kingery,2015-03-01 A Baby of Her Own Maude Harkey is resigned to a loveless life until a baby is born and orphaned at her boardinghouse home

She'll never be a wife but she can still be a mother Yet a boardinghouse is no place for a newborn Enter Jonas MacLaren a handsome exasperating rancher with an offer too good to refuse Jonas can handle running a ranch but handling his cantankerous mother is another matter Maude matches his mother's stubbornness so she'll be a perfect live-in companion But she's there for his mother not for him He'll just have to keep his wounded heart closed to her beauty her humor her warmth and strength and her irresistibly adorable baby Brides of Simpson Creek Small town Texas spinsters find love with mail order grooms *Love Inspired Historical March 2015 Box Set* Regina Scott, Laurie Kingery, Noelle Marchand, DeWanna Pace, 2015-03-01 Love Inspired Historical brings you four new titles for one great price available now This Love Inspired Historical bundle includes *Would Be Wilderness Wife* by Regina Scott *Hill Country Courtship* by Laurie Kingery *The Texan's Inherited Family* by Noelle Marchand and *The Daddy List* by DeWanna Pace Look for 4 new inspirational suspense stories every month from Love Inspired Historical [Official Gazette of the United States Patent Office](#) United States.
