Madam C. J. Walker Erica L. Ball, 2021-01-29 An exhaustively detailed account of the life of Madam C J Walker Booklist Starred Review Madam C J Walker reputed to be America s first self made woman millionaire has long been celebrated for her rags to riches story Born to former slaves in the Louisiana Delta in the aftermath of the Civil War married at fourteen and widowed at twenty Walker spent the first decades of her life as a laundress laboring in conditions that paralleled the lives of countless poor and working class African American women By the time of her death in 1919 however Walker had refashioned herself into one of the most famous African American figures in the nation the owner and president of a hair care empire and a philanthropist wealthy enough to own a country estate near the Rockefellers in the prestigious New York town of Irvington on Hudson In this biography Erica Ball places this remarkable and largely forgotten life story in the context of Walker s times Ball analyzes Walker s remarkable acts of self fashioning and explores the ways that Walker and the Walker brand enabled a new generation of African Americans to bridge the gap between a nineteenth century agrarian past and a twentieth century future as urban dwelling consumers

Madam Walker Theatre Center A'Lelia Bundles, 2013-10-14 As they watched construction of the block long flatiron building brick by brick throughout 1927 African American residents of Indianapolis could scarcely contain their pride This new headquarters of the Madam C J Walker Manufacturing Company with its terra cotta trimmed facade was to be more than corporate offices and a factory for what then was one of America s most successful black businesses In fact it was designed as a city within a city with an African Art Deco theater ballroom restaurant drugstore beauty salon beauty school and medical

offices Generations of African American families met for Sunday dinner at the Coffee Pot enjoyed first run movies and live performances in the Walker Theatre and hosted dances in the Casino Today this National Historic Landmark is an arts center anchoring the Indiana Avenue Cultural District

Madam C.J. Walker P. J. Graham,2019-07-15 Born into an African American family a few years after the end of the Civil War the woman who became known as Madam C J Walker entered a world where slavery was still a very raw wound in American society Although she was orphaned at a young age C J Walker quickly learned about the world around her and how to adapt The children of sharecroppers she and her sister worked in cotton fields until Walker married at the age of fourteen Eventually she settled in St Louis Missouri near her brothers There she started her own hair care company which grew into an empire and took her around the world This is the story of Walker s inspiring perseverance on her journey to entrepreneurial success filled with highs and lows which culminated in her becoming one of the wealthiest women in the twentieth century

Madam C.J. Walker Della A. Yannuzzi,2000 A biography of the African American woman who went from being a laundress to a self made millionaire

The African Americans Henry Louis Gates, Jr.,Donald Yacovone,2013-10-01 The African Americans Many Rivers to Cross is the companion book to the six part six hour documentary of the same name The series is the first to air since 1968 that chronicles the full sweep of 500 years of African American history from the origins of slavery on the African continent and the arrival of the first black conquistador Juan Garrido in Florida in 1513 through five centuries of remarkable historic events right up to Barack Obama s second term as president when the United States still remains deeply divided by race and class The book explores these topics in even more detail than possible in the television series and examines many other fascinating matters as well guiding readers on an engaging journey through the Black Atlantic world from Africa and Europe to the Caribbean Latin America and the United States to shed new light on what it has meant and means to be an African American By highlighting the complex internal debates and class differences within the black experience in this country readers will learn that the African American community which black abolitionist Martin R Delany described as a nation within a nation has never been a truly uniform entity and that its members have been debating their differences of opinion and belief from their very first days in this country The road to freedom for black people in America has not been linear rather much like the course of a river it has been full of loops and eddies slowing and occasionally reversing current Ultimately this book emphasizes the idea that African American history encompasses multiple continents and venues and must be viewed through a transnational perspective to be fully understood

Her Dream of Dreams Beverly Lowry,2011-07-20 I am a woman that came from the cotton fields of the South I was promoted from there to the wash tub then I was promoted to the cook kitchen and from there I promoted myself into the business of manufacturing hair goods and preparations Madam C J Walker National Negro Business League Convention 1912 Now from a writer acclaimed for her novels and the memoir Crossed Over a remarkable biography of a truly heroic figure Madam C J Walker created a cosmetics empire and became known as the first female self

made millionaire in this nation's history a noted philanthropist and champion of women's rights and economic freedom These achievements seem nothing less than miraculous given that she was born in 1867 to former slaves in a hamlet on the Mississippi River How she came to live on another river the Hudson in a Westchester County mansion and in a New York City town house is at once inspirational and mysterious because for all that is known about the famous entrepreneur much that occurred before her magnificent transformation years that trace a circuitous route across the country remains obscure By breathing life into scattered clues and dry facts and with a deep understanding of the times and places through which Madam Walker moved Beverly Lowry tells a story that stretches from the antebellum South to the Harlem Renaissance and bridges nearly a century of our history in her search for the distant truths of a woman who defied all odds and redefined conventional expectations Wherever there was one colored person whether it was a city a town or a puddle by the railroad tracks everybody knew her name Violet Davis Reynolds Stenographer Madam C J Walker Co **Pearson's Magazine**, 1917
