

Guided Reading Activity: Elizabeth Gaskell's *North and South*

Plot Exposition: The first several chapters of *North and South* focus on Reverend Hale's dissension (disagreement with the Church of England).

- 1) What are some potential benefits of the lengthy exposition? Should Gaskell have started the novel another way?

Conflict: Create a chart listing the following characters on the horizontal axis and the types of conflict on the vertical axis. Mark the types of conflict they've encountered so far and update the chart as the novel continues.

Characters:
Margaret Hale
John Thornton
Mr. Hale
Mrs. Thornton
Nicholas Higgins

Conflict:
person vs. self
person vs. person
person vs. nature
person vs. fate
person vs. society

- 2) Where and how do the characters' conflicts overlap?

- 3) Do certain types of conflicts appear more frequently than others in the text? What does that suggest?

Genre: *North and South* is a *bildungsroman* (a novel demonstrating the growth and education of the protagonist).

- 4) If we were to trace Margaret's growth so far, what key events would we include?

Guided Reading Activity North South
