Guitar Rigs Classic Guitar And Amp Combinations:

Guitar Rigs ,2005-04 Book The sound of rock blues country and jazz is not just the sound of electric guitars It s the sound of electric guitars through amplifiers For the first time Guitar Rigs examines the great guitar amp combinations that have created more than 50 years of fantastic music Each section includes a full history of guitar and amps and details the construction components performance qualities and drawbacks of each combination Guitar Rigs is not just a celebration of the collectable treasures of the guitar and amp world Along the way it evaluates many more instruments amps and effects offering alternatives for those trying to conjure great sounds from less exalted equipment And it comes with a CD that demonstrates these and many more combinations so you hear them for yourself **The Guitar Amp Handbook** Dave

Hunter,2005-10 Book There s a huge amount of hype and mythology surrounding tube amplifiers in the guitar world For years experts have argued over the tiny details of exactly how they do what they do and how their various components interact What s undeniable is that far more than being just a loudness booster the unique combination of tubes capacitors resistors and transformers in these amps can contribute enormously to the quality of sound derived from any electric guitar In this thorough and authoritative book Dave Hunter cuts through the marketing hyperbole and the blind faith and supplies all the information you need to choose the right amp and get the best from it The book also features exclusively conducted in depth interviews with leading figures in the tube amp building world including Ken Fischer Mark Sampson and Michael Zaite and even provides full instructions on how to construct your own high quality tube guitar amp from scratch Hendrix

Gillian G. Gaar,2017-10-01 This definitive illustrated biography explores the life and career of the rock music legend with photographs posters and other ephemera Every music critic to rank the Greatest Rock Guitarists of All Time agrees on one thing Jimi Hendrix is number one Hendrix enjoyed the international limelight for less than four years but his innovative guitar playing and imaginative interpretations of blues and rock continue to inspire generations of musicians and music lovers In Hendrix music journalist Gillian Gaar explores the guitarist s life from his childhood in Seattle to his service as an Army paratrooper his role as a sideman on the chitlin circuit his exile in the United Kingdom his rise to superstardom and his untimely death in 1970 The volume is enhanced throughout with rare archival photographs as well as posters picture sleeves and other assorted memorabilia The New Guitarscape in Critical Theory, Cultural Practice and Musical Performance

Kevin Dawe,2017-07-05 In The New Guitarscape Kevin Dawe argues for a re assessment of guitar studies in the light of more recent musical social cultural and technological developments that have taken place around the instrument The author considers that a detailed study of the guitar in both contemporary and cross cultural perspectives is now absolutely essential and that such a study must also include discussion of a wide range of theoretical issues literature musical cultures and technologies as they come to bear upon the instrument Dawe presents a synthesis of previous work on the guitar but also expands the terms by which the guitar might be studied Moreover in order to understand the properties and potential of the

guitar as an agent of music culture and society the author draws from studies in science and technology design theory material culture cognition sensual culture gender and sexuality power and agency ethnography real and virtual and globalization Dawe presents the guitar as an instrument of scientific investigation and part of the technology of globalization created and disseminated through corporate culture and cottage industry held close to the body but taken away from the body in cyberspace and involved in an enormous variety of cultural interactions and political exchanges in many different contexts around the world In an effort to understand the significance and meaning of the guitar in the lives of those who may be seen to be closest to it as well as providing a critically informed discussion of various approaches to guitar performance technologies and techniques the book includes discussion of the work of a wide range of guitarists including Robert Fripp Kamala Shankar Newton Faulkner Lionel Loueke Sharon Isbin Steve Vai Bob Brozman Kaki King Fred Frith John 5 Jennifer Batten Guthrie Govan Dominic Frasca I Wayan Balawan Vicki Genfan and Hasan Cihatter
