H. Tudge,Lia Beatriz de Lucca Freitas,2018 Gratitude a virtue develops during

childhood and adolescence This book shows how adults can encourage its development fostering consideration for others and strengthening connections

**Alice in Japanese Wonderlands** Amanda Kennell,2023 Since the first translations of Lewis Carroll's Alice books appeared in Japan in 1899 Alice has found her way into nearly every facet of Japanese life and popular culture The books have been translated into Japanese more than 500 times resulting in more editions of these works in Japanese than any other language except English Generations of Japanese children learned English from textbooks containing Alice excerpts Japan's internationally famous fashion vogue Lolita merges Alice with French Rococo style In Japan Alice is everywhere in manga literature fine art live action film and television shows anime video games clothing restaurants and household goods consumed by people of all ages and genders In *Alice in Japanese Wonderlands* Amanda Kennell traverses the breadth of Alice's Japanese media environment starting in 1899 and continuing through 60s psychedelia and 70s intellectual fads to the present showing how a set of nineteenth century British children's books became a vital element in Japanese popular culture Using Japan's myriad adaptations to investigate how this modern media landscape developed Kennell reveals how Alice connects different fields of cultural production and builds cohesion out of otherwise disparate media artists and consumers The first sustained examination of Japanese Alice adaptations her work probes the meaning of Alice in Wonderland as it was adapted by a cast of characters that includes the father of the Japanese short story Ryunosuke Akutagawa the renowned pop artist Yayoi Kusama and the best selling manga collective CLAMP While some may deride adaptive activities as mere copying the form Alice takes in Japan today clearly reflects domestic considerations and creativity not the desire to imitate By engaging with studies of adaptation literature film media and popular culture Kennell uses Japan's proliferation of Alices to explore both Alice and the Japanese media environment

**Heidegger, Art, and Postmodernity** Iain D. Thomson,2011-04-29 Heidegger Art and Postmodernity offers a radical new interpretation of Heidegger's later philosophy developing his argument that art can help lead humanity beyond the nihilistic ontotheology of the modern age Providing pathbreaking readings of Heidegger's *The Origin of the Work of Art* and his notoriously difficult *Contributions to Philosophy* From Enowning this book explains precisely what postmodernity meant for Heidegger the greatest philosophical critic of modernity and what it could still mean for us today Exploring these issues Iain D Thomson examines several postmodern works of art including music literature painting and even comic books from a post Heideggerian perspective Clearly written and accessible this book will help readers gain a deeper understanding of Heidegger and his relation to postmodern theory popular culture and art

**Thematic Guide to Biblical Literature** Nancy M. Tischler,2007-04-30 The Bible has had a tremendous influence on world history and culture but it is largely unfamiliar to many students This book relates the Bible to a wide range of literary works commonly read by students and thus helps students understand these texts as well as the cultural and historical contexts surrounding them Included are chapters on 20 themes such as creation family and friends love and marriage the hero war and death and the afterlife Each chapter discusses the biblical significance of the

theme provides scriptural quotations and citations and explores the biblical presence of the theme in literary works often read by students Each chapter cites works for further reading and the volume closes with a selected general bibliography

Jonathan Swift's Gulliver's Travels Roger D. Lund, 2013-12-16 An extremely complex yet widely studied text Jonathan Swift's *Gulliver's Travels* ranks as one of the most scathing satires of British and European society ever published Students will therefore welcome the publication of Roger Lund's sourcebook which provides a clear way through the wealth of contextual and critical material that surrounds the text This indispensable guide presents extensive introductory comment on the contexts and many interpretations of the text from publication to present annotated extracts from key contextual documents reviews critical works and the text itself cross references between documents and sections of the guide in order to suggest links between texts contexts and criticism suggestions for further reading Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of Swift's controversial novel **The**

**"Peak Oil" Scare and the Coming Oil Flood** Michael C. Lynch, 2016-07-25 Is the earth's oil supply starting to run out or is there far more oil than some experts believe This book points out flaws in the research used to warn of an oil shortfall and predicts that large new reserves of oil are soon to be tapped In the last decade oil experts geologists and policy makers alike have warned that a peak in oil production around the world was about to be reached and that global economic distress would result when this occurred But it didn't happen The Peak Oil Scare and the Coming Oil Flood refutes the recent claims that world oil production is nearing a peak and threatening economic disaster by analyzing the methods used by the theory's proponents Author Michael C Lynch former researcher at Massachusetts Institute of Technology MIT debunks the Peak Oil crisis prediction and describes how the next few years will instead see large amounts of new supply that will bring oil prices down and boost the global economy This book will be invaluable to those involved in the energy industry including among those fields that are competing with oil as well as financial institutions for which the price of oil is of critical importance Lynch uncovers the facts behind the misleading news stories and media coverage on oil production as well as the analytic process that reveals the truth about the global oil supply General readers will be dismayed to learn how governments have frequently been led astray by seeming logical theories that prove to have no sound basis and will come away with a healthy sense of skepticism about popular economics **Therapy with Older Clients: Key Strategies for Success** Marc

Agronin, 2010-06-22 It is with this guiding principle in mind that Marc Agronin a dedicated geriatric clinician with years of on the ground experience offers a sensitively written and eminently practical guide that addresses the therapeutic challenges and uncovers the top strategies for compassionate and effective work with the elderly Harry Potter's Bookshelf John Granger, 2009-07-07 Harry Potter The name conjures up J K Rowling's wondrous world of magic that has captured the imaginations of millions on both the printed page and the silver screen with bestselling novels and blockbuster films The true magic found in this children's fantasy series lies not only in its appeal to people of all ages but in its connection to the greater

world of classic literature Harry Potter's Bookshelf The Great Books Behind the Hogwarts Adventures explores the literary landscape of themes and genres J K Rowling artfully wove throughout her novels and the influential authors and stories that inspired her From Jane Austen's Emma and Charles Dickens's class struggles through the gothic romances of Dracula and Frankenstein and the detective mysteries of Dorothy L Sayers to the dramatic alchemy of C S Lewis J R R Tolkien and William Shakespeare Rowling cast a powerful spell with the great books of English literature that transformed the story of a young wizard into a worldwide pop culture phenomenon
