Gun Control Restricting Rights Or Protecting People Information Plus Reference Gun Control

Kathleen Armour

Gun Control Restricting Rights Or Protecting People Information Plus Reference Gun Control:

Gun Control Sandra M. Alters,2009 A compilation of facts and statistics on gun control in the U S discussing the history of the right to bear arms firearms laws and regulations related court rulings guns and crime injuries and fatalities guns and youth public attitudes and gun control laws

Gun Control Sandra M. Alters,2009 A compilation of facts and statistics on gun control in the U S discussing the history of the right to bear arms firearms laws and regulations related court rulings guns and crime injuries and fatalities guns and youth public attitudes and gun control laws

Gun Control Information Plus,2003-05-30

Gun Control Margaret Haerens,2005 A compilation of facts and statistics on gun control in the U S discussing the history of the right to bear arms firearms laws and regulations related court rulings guns and crime injuries and fatalities guns and youth public attitudes and gun control laws

The Changing Politics of Gun Control John M. Bruce,Clyde Wilcox,1998-05-14 In recent years political discourse about gun control and the Second Amendment has become increasingly volatile and this collection of original essays by top scholars illuminates the various reasons why Gun lobbies such as the National Rifle Association are more organized and aggressive and their issue agenda has evolved as new and more powerful weapons and militia appear On the other side of the debate the critical wounding of James Brady gave gun control advocates a visible martyr with strong ties to Republican conservatives In sum gun control and the right to bear arms have become hotly disputed issues where political alignments are constantly shifting The contributors chart these changes and explore how Congress the courts the President and individual states are currently addressing the issue of gun control This book which includes profiles and examinations of relevant interest groups the gun control coalition recent Supreme Court decisions and public opinion surveys will be of great interest to classes in political science American government law and sociology

Gun Control Jeffrey Ferro,2001 An up to date examination of guns and gun control emphasizing laws regulations and ordinances court rulings and public attitudes with a focus on the pros and cons of gun control

Gun Control Sandra Alters,2007 A compilation of facts and statistics on gun control in the U S discussing the history of the right to bear arms firearms laws and regulations related court rulings guns and crime injuries and fatalities guns and youth public attitudes and gun control laws

Gun Control ,1985

Gun Control Laurie DiMauro,2013-04-12 The latest information on the most important social issues in America today is the hallmark of this well established series for high school students Completely updated every two years the Information Plus Reference Series gives readers a clear and comprehensive summary of the most up to date research legislation and more on each subject all of which are vividly illustrated by numerous tables charts and graphs Ideal for class assignments reports and research projects the series has a distinct easy to understand style that students will appreciate The Information Plus Reference Series provides Up to date statistical information on the volume s subject that gives students the most current data available all from one source Discussions of hundreds of topics and subtopics providing valuable explanations of statistics Tables charts and graphs vividly illustrating

facts and figures Resources section and directory of important organizations in each volume including key e mail addresses and Web site URLs that offer the best avenues for continued research Information Plus Reference Series Abortion AIDS HIV Alcohol Tobacco and Illicit Drugs American Economy Animal Rights Capital Punishment Careers and Occupations Child Abuse and Domestic Violence Crime Prisons and Jails Death and Dying Education Electronic America Endangered Species Energy Environment Gambling Genetics and Genetic Engineering Growing Old in America Growing Up Gun Control Health and Wellness Health Care System Immigration and Illegal Aliens Minorities National Security Social Welfare Space Exploration Sports Water Weight in America Women in American Society World Poverty Book jacket **Public Opinion,**

Crime, And Criminal Justice Julian Roberts,2018-10-08 Taking on one of the most popular issues of the day crime and the way we make sense of it Julian Roberts and Loretta Stalans reveal the mismatch between the public perception of crime and the reality of crime statistics Discussing such issues as public knowledge of crime sources of crime information information processing by the public public attitudes about crime and the effectiveness of punishment this book considers the role that public opinion plays in the politics of criminal justice issues Based on extensive data from the United States with comparisons with Canada and the United Kingdom Roberts and Stalans reveal the truth behind how the public perceives crime and how this perception compares to actual criminal activity *Gun Control* Barbara Klier,Nancy R. Jacobs,Jacquelyn F.

Quiram,Information Plus (Firm : Wylie, Tex.),1999 The Information Plus Reference Series compiles all the pertinent data both current and historical on a wide variety of contemporary social issues Designed as ready reference tools providing key data on social concerns these books save researchers and students from the cumbersome task of locating the various data in pamphlets legal journals congressional reports newspapers and other sources The series covers 32 vital current issues including Abortion AIDS Capital punishment Death and dying Domestic violence Endangered species Environment Gun control Homelessness Illegal drugs Immigration And many many moreCompiled from thousands of source documents reports and studies each of the Information Plus Reference Series books provide current and past statistics court decisions state and federal laws tables and charts results of public opinion polls and more Each thoroughly indexed 112 200 page volume provides complete source citations as well as listings of names addresses telephone and fax numbers for relevant organizations Volumes in the Information Plus Reference Series are completely revised and updated every two years

El-Hi Textbooks & Serials in Print, 2000 ,2000 **Gun Control in the United States Gregg Lee Carter,2017-01-23**

This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise

understandable coverage of all aspects of the issue including incidence of gun violence gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of *Gun Control in the United States A Reference Handbook* enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court's ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate

The Politics of Gun Control Robert J. Spitzer, 2023-08-10 Since its initial publication this book has become the classic work on every important element of the tumultuous national gun debate in America This new edition brings together the latest developments and research in gun politics policy law history and criminology to provide a comprehensive and accessible source widely used by scholars journalists and in classrooms In this era of polarized politics this book provides a unique window into how and why that polarization drives our politics Among the new topics covered in this edition are the Bipartisan Safer Communities Act new Supreme Court protections for concealed carry permits and the impacts of the COVID 19 pandemic on gun violence and policy New to the Ninth Edition Examines current gun control legislation at both state and federal levels particularly the circumstances that lead to the passage of the Bipartisan Safer Communities Act in 2022 Introduces the new constitutional standards for gun control legislation set by the controversial pro Second Amendment Supreme Court ruling in *New York State Rifle Pistol Association v Bruen* 2022 Provides expanded and updated consideration on related issues including the rise of gun carry movements on college campuses attempts to regulate ghost guns bump stocks and guns with high capacity magazines 50 caliber sniper rifles and the impacts of the COVID 19 pandemic the January 6 Capitol Attack and the Black Lives Matter movement on contemporary gun control debates Tracks the financial political and legal crises that threaten the dominance of the National Rifle Association and examines the rise of new gun rights groups such as the National Association for Gun Rights Presents new and updated statistical research on gun ownership in America gun related fatalities public opinion support of red flag laws and other gun control measures Incorporates new pedagogical features of chapter summaries and discussion questions into each chapter

Resources in Education, 2000 *Constitutional Powers and Politics* Eileen Braman, 2023-10-25 The relationship between public opinion and the actions of institutions such as the Supreme Court has come under increased scrutiny in

recent years In this timely book Eileen Braman explores how American citizens think about government across all three branches applying a rigorous political scientific methodology to explore why citizens may support potentially risky changes to our governing system As Braman highlights Americans value institutions that they perceive as delivering personal and societal gains and citizens who see these institutions as delivering potential losses are more supportive of fundamental constitutional change In the face of growing resentment of government and recurring warnings of constitutional crisis Braman offers a hopeful note her findings suggest that politicians can channel discontent toward meaningful reform and the healthy evolution of our democratic system *El-Hi Textbooks & Serials in Print, 2005* ,2005 **Bowker's Law Books and Serials in Print 1993** Bowker Editorial Staff,1993-02 *Congressional Record* United States. Congress,1966 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 Books in Print ,1977
