Thomas,2016-11-15 The Introduction to African American Preaching is an important groundbreaking book This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly dynamic and useful exploration of the topic Author Frank Thomas opens with a bus tour study of African American preaching He shows how African American preaching has gradually moved from an

almost exclusively oral to an oral written tradition Readers will gain insight into the history of the study of the African American preaching tradition and catch the author's enthusiasm for it Next Thomas traces the relationship between homiletics and rhetoric in Western preaching demonstrating how African American preaching is inherently theological and rhetorical He then explores the question what is black preaching Thomas introduces the reader to methods of close reading and ideological criticism And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example The next chapter considers the question what is excellence in black preaching The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic tradition The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics Thomas next turns to questions about the relevancy of the church to the Millennial generation Specifically how will the African American church remain relevant to this generation which is so deeply concerned with social justice

The Uninnocent Katharine Blake, 2021-11-02 One of BuzzFeed's 25 New And Upcoming Books You Won't Be Able To Put Down and one of LitHub's Best New Nonfiction to Read This November The Uninnocent is so elegantly crafted that the pleasure of reading it nearly overrides its devastating subject matter a story of radical empathy a triumph of care and forgiveness Stephanie Danler author of Stray and Sweetbitter A harrowing intellectual reckoning with crime mercy justice and heartbreak through the lens of a murder On a Thursday morning in June 2010 Katharine Blake's sixteen year old cousin walked to a nearby bike path with a boxcutter and killed a young boy he didn't know It was a psychological break that tore through his brain and into the hearts of those who loved both boys one brutally killed the other sentenced to die at Angola one of the country's most notorious prisons In The Uninnocent Blake a law student at Stanford at the time of the crime wrestles with the implications of her cousin's break as well as the broken machinations of America's justice system As her cousin languished in a cell on death row where he was assigned for his own protection Blake struggled to keep her faith in the system she was training to join Consumed with understanding her family's new reality Blake became obsessed with heartbreak seeing it everywhere in her cousin's isolation in the loss at the center of the crime in the students she taught at various prisons in the way our justice system breaks rather than mends in the history of her parents and their violent childhoods As she delves into a history of heartbreak through science medicine and literature and chronicles the uneasy yet ultimately tender bond she forms with her cousin Blake asks probing questions about justice faith inheritance family and most of all mercy Sensitive singular and powerful effortlessly bridging memoir essay and legalese The Uninnocent is a reckoning with the unimaginable unforgettable and seemly irredeemable With curiosity and vulnerability Blake unravels a distressed tapestry finding solace in both its tearing and its mending
