Gustav Mahler Alfred Mathis-Rosenzweig,2017 Alfred Mathis Rosenzweig 1897 1948 was a Viennese musicologist and critic who studied at the universities of Budapest and Vienna From 1933 he embarked on producing a large scale study of Mahler but at the time of his death the manuscript was left unfinished Although it was presumed lost until 1997 the unfinished typescript written in German had been deposited in the library of the Guildhall School of Music Drama In 2003 the School s Research Centre commissioned Jeremy Barham to prepare the first published edition of this important work and his annotations and commentary add invaluable material to his translation of this historic document Biographical material is used as a loose framework and platform for Mathis Rosenzweig s profound examination of the environment within which Mahler s earlier music was embedded This is an environment in which Wagner Bruckner and Wolf feature prominently and in which Mahler s music is viewed from the wider perspective of nineteenth century German cultural domination and the subsequent rise of political extremism in the form of Hitlerite fascism Provided by publisher **Mahler** Henry-Louis de La Grange,1973 **Gustav Mahler** Neville Cardus,1965 **Die drei Pintos** Gustav Mahler,Carl Maria von Weber,Theodor Hell,2000 After completing *Der Freischütz* Carl Maria von Weber 1786 1826 planned to compose as its comic counterpart *Die drei Pintos* but he left the work unfinished at his death Other composers including Giacomo Meyerbeer have attempted to complete the opera but for various reasons none succeeded Around the time of Weber s centennial though Weber s grandson showed the sketches to Gustav Mahler 1860 1911 who completed the score and conducted the premiere in 1888 Weber left sketches for only the first act of three acts and Mahler at first planned a performing version with the final act spoken Mahler reconsidered this strategy and decided to complete the score in all three acts In the absence of sketches for almost two thirds of the opera Mahler decided to rework unfamiliar and unpublished music of Weber by incorporating it into the completed score As a work then the score contains music almost entirely by Weber but as an opera it is Mahler s conception Moreover *Die drei Pintos* is an important accomplishment of Mahler s early career and he completed the opera several months before he finished his own First Symphony This critical edition contains the full score of the opera including revisions that Mahler planned but never executed for the work The publication also includes the complete libretto with English translation and introduction and a complete critical apparatus **Mahler** Gustav Mahler,2010
