**The Wise Guy Cookbook** Henry Hill, Priscilla Davis, 2002-10-01 Now in his inimitable style Henry Hill tells some spicy stories of his life in the Mob and shows you how to whip up his favorite dishes Sicilian style even when you're cooking on the run Learn delicious recipes that make even the toughest tough guy beg for more Henry Hill was a born wiseguy At the pizzeria where he worked as a kid he learned to substitute pork for veal in cutlets which came in handy later when the bankroll was low At thirteen he got his first percentage from a local deli that lost business when he started supplying the neighborhood wiseguys with his own heroes And what great heroes they were Once he entered Witness Protection though

Hill found himself in places where prosciutto was impossible to get and gravy was something you put on mashed potatoes So he learned to fake it when necessary for example Romano with white pepper took the place of real pecorino siciliano cheese and wherever he found himself Hill managed to keep good Italian food on the table He still brings this flair for improvisation to his cooking No recipe is set in stone And substitutions are listed in case you need them for these recipes and many more Mom s Antipasto Sunday Gravy Meat Sauce Cheater s Chicken Stock Striped Bass for Paulie Fat Larry s Pizza Dough Henry s Kickback Antipasti Hero Sicilian Easter Bread with Colored Eggs Clams Casino Osso Buco Oven Penitentiary Sauce with Sausage Michael s Favorite Ziti with Meat Sauce      The Single Guy Cookbook Avi Shemtov,2015-07-28 There comes a time in every man s life where he has to step away from the microwave With the help of Avi s man centric recipes techniques and commentary you ll build confidence in the kitchen and you ll have some pretty amazing meals to show for it Recipes are geared toward goals like cooking the perfect burger using leftovers to make a gourmet meal that ll wow your family impressing a date saving money feeding the guys on game day and most importantly just flat out making an easy hardy meal you can sit down and enjoy alone Recipes include Sizzling Skillet Steak with Twice Baked Potato Kickass Fish Tacos and Mind Blowing Meatballs with Ziti With The Single Guy Cookbook you ll make delicious and awe inspiring dishes that you ll be proud to place in front of any person who enters your man cave      *A Taste of Power* Katharina Vester,2015-10-02 A Taste of Power is an investigation of the crucial role culinary texts and practices played in the making of cultural identities and social hierarchies since the founding of the United States Nutritional advice and representations of food and eating including cookbooks literature magazines newspapers still life paintings television shows films and the internet have helped throughout American history to circulate normative claims about citizenship gender performance sexuality class privilege race and ethnicity while promising an increase in cultural capital and social mobility to those who comply with the prescribed norms The study examines culinary writing and practices as forces for the production of social order and at the same time as points of cultural resistance against hegemonic norms especially in shaping dominant ideas of nationalism gender and sexuality suggesting that eating right is a gateway to becoming an American a good citizen an ideal man or a perfect mother Cookbooks as a low prestige literary form became the largely unheralded vehicles for women to participate in nation building before they had access to the vote or public office for middle class authors to assert their class privileges for men to claim superiority over women even in the kitchen and for Lesbian authors to reinscribe themselves into the heteronormative economy of culinary culture The book engages in close reading of a wide variety of sources and genres to uncover the intersections of food politics and privilege in American culture Provided by publisher      **Two Guys Gourmet** Kevin M.
