

Handbook of Transnational Crime & Justice

The background of the cover is a dark blue and purple illustration. It features a faint world map in the upper left. In the center, a judge in a blue robe is shown from the waist up, holding a gavel. To the left of the judge, a hand is visible holding a large stack of US dollar bills. In the foreground, there are several more stacks of US dollar bills, some of which are slightly out of focus. The overall theme suggests a connection between global crime, justice, and money.

The Contributions of Specialized Institutes and Non-Governmental Organizations to the United Nations Criminal Justice Program M. Cherif Bassiouni, 2023-08-28 The increase of crime at the national transnational and international levels has heightened concern in the international community and generated greater interest in international criminal justice policy Since the 1950s the United Nations has been developing the Crime Prevention and Criminal Justice Programme which was designed to respond to these concerns But United Nations resources and support for the programme have been limited notwithstanding the services and contributions of the Crime Prevention and Criminal Justice Branch As the United Nations celebrates its Fiftieth Anniversary it is fitting to have a book that describes the United Nations Crime Prevention and Criminal Justice Programme The information it contains highlights the significant contributions of a number of organizations whose work may not be sufficiently known outside the circles of scholars experts and professionals in the field of international criminal justice The book is thus also a deserving tribute to these organizations giving greater publicity to what they have contributed over the years with scant United Nations recognition Without these organizations and the active NGOs the United Nations would hardly have leave to claim part of what is now an important though still insufficient contribution to international criminal justice
