Hands Off My Gun Defeating The Plot To Disarm America:

Hands Off My Gun Dana Loesch, 2025-05-01 Respected conservative talk show host blogger and TV commentator Dana Loesch gives her views on the history and intent of the Second Amendment and discusses what she believes gun confiscation would mean to Americans basic rights as citizens How many people in America today are truly well versed in the history of the Second Amendment and why it was included in the Bill of Rights In **HANDS OFF MY GUN** Dana Loesch explains why the Founding Fathers included the right to bear arms in the Bill of Rights and argues that gun control regulations throughout history have been used to keep minority populations under control She also contends that current arguments in favor of gun control are primarily based on emotions and fear This narrative is a must read for every Second Amendment supporter Dana Loesch is a determined and fierce advocate for those rights and shouts out hands off my gun

A Philosophy of Gun Violence Alan J. Reid, 2022-08-20 This book uses a philosophy of technology to demonstrate that guns are predisposed for an intentional use making them inherently non neutral artifacts This argument rejects the often cited value neutral thesis and instrumentalist view that guns don t kill people people kill people and instead explains the lethality of the gun through the lenses of affordance theory behavioral design and choice architecture Ultimately this book proposes an ethical and value sensitive model for gun reform which embodies the perspective of French philosopher Bruno Latour who said You are different with a gun in your hand the gun is different with you holding it

Repeal the Second Amendment Allan J. Lichtman, 2020-01-28 A radical case for the repeal of the 2nd Amendment as the only way to control gun violence in America There s an average of one mass shooting per day in the United States Given the ineffectiveness of the gun control lobby it s time for a strategy with spine In **Repeal the Second Amendment** Allan J Lichtman has written the first book that uses history legal theory and up to the minute data to make a compelling case for the amendment s repeal in order to create a clear road to sensible gun control in the US **Repeal the Second Amendment** explores both the true history and current interpretation of the Second Amendment to expose the NRA s blatant historical manipulations and irresponsible fake news releases Lichtman looks at the history of firearms and gun regulations from colonial times to the present to explain how a historically forgotten sentence in the Constitution has become a flash point of recent politics that benefits only the gun industry their lobbyists and the politicians on their payroll He probes court decisions and the effective lobbying and public relations strategies of the gun lobby as well as the ineffectiveness of the gun control movement for lessons in doing better What emerges is a clear and cogent plan repeal and replace the Second Amendment without taking guns away from anyone who has them now to make the US a safer place It s time to **Repeal the Second Amendment** and Allan Lichtman is the man to bring this radical plan to America

Guns in American Society Jaclyn Schildkraut, Gregg Lee Carter, 2022-12-01 The revised third edition of the landmark **Guns in American Society** provides an authoritative and objective survey of the history and current state of all gun related issues and areas of debate in the United States **Guns in American Society** An Encyclopedia of History Politics Culture

and the Law is a comprehensive and evenhanded three volume reference resource for understanding all of the political legal and cultural factors that have swirled around gun rights and gun control in America past and present The encyclopedia draws on a vast array of research in criminology history law medicine politics and social science It covers all aspects of the issue gun violence including mass shootings in schools and other public spaces gun control arguments and organizations gun rights arguments and organizations the firearms industry firearms regulation legislation and court decisions gun subcultures for example hunters and collectors leading opinion shapers on both sides of the gun debate technological innovations in firearm manufacturing various types of firearms from handguns to assault weapons and evolving public attitudes toward guns Many of these entries place the topics in both historical and cross cultural perspective

Issues in Business Ethics and Corporate Social Responsibility SAGE Publishing,2020-03-19 One need only look at the news to be bombarded with examples of corporate malfeasance and the impact such behavior has on a company s public image customers employees and bottom line And while these stories grab the headlines some companies are adopting practices that display awareness of their impact on the globe whether that be to the environment its employees and suppliers or communities in which they do business What factors are leading to these decisions What are the benefits and costs of making ethical business decisions and acting in a socially responsible way however one defines it Issues in Business Ethics and Corporate Social Responsibility explores these foundational themes across a wide range of topics including artificial intelligence workplace surveillance supply chain management big data the finance industry and many more Coupled with a broad introduction by Dr David Weitzner a professor of management at York University this book provides students with the essential information they need to assess business practices through the lens of ethical decision making and corporate social responsibility

School Shootings and the Never Again Movement Laurie Collier Hillstrom,2019-03-14 This volume provides a concise but authoritative overview of the Never Again Movement which arose in the aftermath of a mass shooting that killed 17 people at a high school in Parkland Florida in February 2018 This volume in the 21st Century Turning Points series a one stop resource for understanding the people and events changing America today analyzes school shootings and examines the broader issue of gun violence in America It focuses on the history of school shootings in the United States and the debate that has raged for decades between gun control advocates and supporters of gun ownership rights School Shootings and the Never Again Movement 21st Century Turning Points provides a broad perspective on these issues It recounts the evolution of gun politics and policy throughout the twentieth century explains the positions and activities of organizations and activists on both sides of the gun debate details notorious school shootings ranging from Columbine to Parkland and explores the potential impact of the Never Again Movement on American gun policy at the state and federal levels
