## Happy Mondays Excess All Areas:

Happy Mondays Simon Spence, 2015-02-15 Their story is a vindication for every northern hooligan rock band out there Happy Mondays sparked a British guitar pop renaissance Alan McGee In 1985 when the Happy Mondays exploded onto the Manchester music scene like a Molotov cocktail no one had heard anything like them before As they developed into the face of the Acid House Madchester movement critics ranked them alongside The Velvet Underground and the Sex Pistols as cultural lightning rods and that was just for the music The stories of their excesses are the stuff of rock n roll legend the overdoses fights on stage the death threats the gangsters the stabbings and shootings in the studio Yet this seemingly unhinged and uncontrollable band encouraged by their equally crazed benefactors at Factory Records transformed British music forever leaving behind five infectious albums of unparalleled dirt and delight Twenty five years after their breakthrough appearance on Top of the Pops in November 1989 Simon Spence the acclaimed biographer of The Stone Roses War and Peace tells the story of how the Happy Mondays came to provide the soundtrack to Britain s last great youth movement Based on extensive interviews with the band and key associates he reveals the truth behind the mythic stories that have ensured their outlaw reputation and unravels the chaos that led to the group s ultimate implosion and the tragic collapse of Factory Records A riotous mix of pills thrills and joyous chart hits this is the untold story of Britain s greatest rock n roll gang

Hit Factories Karl Whitney, 2019-06-27 After discovering a derelict record plant on the edge of a northern English city and hearing that it was once visited by David Bowie Karl Whitney embarks upon a journey to explore the industrial cities of British pop music Manchester Liverpool Newcastle Leeds Sheffield Hull Glasgow Belfast Birmingham Coventry Bristol at various points in the past these cities have all had distinctive and highly identifiable sounds But how did this happen What circumstances enabled those sounds to emerge How did each particular city its history its physical form its accent influence its music How were these cities and their music different from each other And what did they have in common Hit Factories tells the story of British pop through the cities that shaped it tracking down the places where music was performed recorded and sold and the people the performers entrepreneurs songwriters producers and fans who made it all happen From the venues and recording studios that occupied disused cinemas churches and abandoned factories to the terraced houses and back rooms of pubs where bands first rehearsed the terrain of British pop can be retraced with a map in hand and a head filled with music and its many myths

*Shadowplayers* James Nice,2025-10-07 Definitive and comprehensive this is the actual story of Factory Records Peter Saville In 1978 a Factory for Sale sign gave Alan Erasmus and Tony Wilson a name for their fledgling Manchester club night Though they couldn t have known it at the time this was the launch of one of the most significant musical and cultural legacies of the late twentieth century The club s electrifying live scene soon translated to vinyl and Factory Records went on to become the most innovative and celebrated record label of the next thirty years Always breaking new musical ground Factory introduced the listening public to bands such as Joy Division whose Unknown Pleasures was the label s first album release New Order Durutti Column and Happy Mondays Propelled onwards by the inspirational cultural entrepreneur Tony Wilson Factory always sought new ways to energise the popular consciousness such as the infamous Hacienda nightclub which enjoyed a chequered 15 year history after opening in 1982 Now fully revised and expanded with a new chapter *Shadowplayers* is the most complete authoritative and thoroughly researched account of how a group of provincial anarchists and entrepreneurs saw off bankers journalists and gun toting gangsters to create the most influential record label of modern times Based on both archive and contemporary sources the book tells the full story of Factory s heroic struggles its complex web of inventive idiosyncratic and tragic personalities and ultimately the acclaimed and much loved music it produced **I was Elvis Presley's Bastard Love-child & Other Stories of Rock'n'roll Excess** Andrew Darlington,2001 Unexpurgated interviews with legendary rock muscicians and bands including Peter Green Grace Slick Kraftwerk The Kinks Robert Plant and Siouxi Sioux plus the full text of Gene Clark s last interview Complete with discographies and illustrated profusely throughout **The Bulletin** ,2003 **The People's Songs** Stuart Maconie,2013-06-06 These are the songs that we have listened to laughed to loved to and laboured to as well as downed tools and danced to Covering the last seven decades Stuart Maconie looks at the songs that have sound tracked our changing times and just sometimes changed the way we feel Beginning with Vera Lynn s We ll Meet Again a song that reassured a nation parted from their loved ones by the turmoil of

war and culminating with the manic energy of Bonkers Dizzee Rascal's anthem for the push and rush of the 21st century inner city. The People's Songs takes a tour of our island's pop music and asks what it means to us. This is not a rock critique about the 50 greatest tracks ever recorded. Rather it is a celebration of songs that tell us something about a changing Britain during the dramatic and kaleidoscopic period from the Second World War to the present day. Here are songs about work, war, class, leisure, race, family, drugs, sex, patriotism and more, recorded in times of prosperity or poverty. This is the music that inspired haircuts and dance crazes but also protest and social change. The companion to Stuart Maconie's landmark Radio 2 series The People's Songs shows us the power of cheap pop music, one of Britain's greatest exports. These are the songs we worked to and partied to and grown up and grown old to, from A Whiter Shade of Pale to Rehab, She Loves You to Star Man, Dedicated Follower of Fashion to Radio Ga Ga.
