

Dear customer

Thank you for choosing Kazuma 90cc, 100cc, 110cc, 4 stroke, semi auto ATV which are world famous, Kazuma has made this range of ATVs to cater for kids of all ages and capabilities. "Affordable fun" is the Kazuma logo, and fun has never been so easy to have.

1. 90cc, 4 stroke, 3 speed, semi auto with reverse protector.
2. 100cc, 4 stroke, 4 speed, semi auto.
3. 110cc, 4 stroke, 3 speed, semi auto with reverse.

These are the basic engines fitted onto the three different models of ATVs.

This amazing little 4 stroke, is as much fun as a bag full of monkeys.

With a 4 speed semi automatic gearbox, there is a gear for every situation, from steep climbs to long straights. The semi auto clutch allows for easy pull-away and uncomplicated gear changes. No clutch to pull in, just close the throttle, and tap the gearlever into the required gear. This is ideal for teaching kids how, and when to change gears. It is also a lot more fun. This no nonsense, reliable, 4 stroke motor, gives easy starting, low maintenance, fun, with the lovely sound that can only come from a 4 stroke motor.

All the range are fitted with full suspension, safety ignition keys, safety cut outs, speed governor, lights, electric self starters, gear indicator, and all the features you have expected, and have made Kazuma a first choice for customers in many countries around the world.

Although designed for kids, grownups can also ride these fun bikes if they ride them carefully and slowly. This makes for all round family fun.

Kazuma wishes you many years of fun riding. Please obey all safety advice and learn to live your life with amazing fun - from the Kazuma range.
