Ritthaler,2010-10 Let me ask you a question who is the Antichrist Have you ever tried to figure out the answer to this question If you re like the average person who understands the days we are living in this question has probably crossed your

mind a time or two I have been asked this very question for a few years now by many different people along life's road. God in his mercy has seen fit to give me the answer to this question and I am so grateful for it. Through much study and hours upon hours of research, God has cleared up this debate through the publication of this book. There are so many opinions on who the Antichrist is, but most fail to line up with the Bible. Many people have even written books on this subject through the years and they are good books, but at the books' end, they never really answer this question and they still leave you guessing. My goal in writing this book was to give the public a clear and accurate answer from the Bible that once and for all settles the question of who is the Antichrist. I promise you one thing: if you read this entire book, you will find it impossible to deny who the Antichrist is. There are hundreds of Bible verses contained within this book that will expose this man of destiny. Please allow God's Holy Spirit to speak to your heart as He has spoken to mine. This book will shock you, excite you, and provide many answers concerning this topic. I pray that God will open your eyes as a result of this study and show you that the end is near and JESUS is getting ready to come. May God bless you. Brother Tony **Your Signature Life** Dianna

Booher, 2003-10-01 What if we all lived our daily lives so that we could be proud to add our signature to it at the end of the day, just as an artist or novelist signs a finished piece of work? When someone skilled in a craft signs his or her work, that person is making a statement: "I'm taking ownership. This is my personal best at this moment." Your Signature Life encourages us to give God the very best of ourselves at work, at home, and in relationships. That, of course, happens through the choices we make every day. You are the artist of your personal portrait, the writer of your life story, the creator of your character. The question is: What exactly are you creating? This faith-based book will both instruct and inspire you personally in finding your calling in life, identifying the 6 Ps that confirm your calling, finding purpose in life, discovering purpose in illness, crisis, tragedy, or grief, fulfilling your purpose in retirement, finding your calling for the rest of your life. Whether in your personal life, your friendships, or your work, seasoned author Dianna Booher challenges you to strive for such things as honesty, wisdom, courage, and faithfulness so that when it's all said and done, you can sign your name with a flourish to the masterpiece of your life. The companion follow-up book, Your Signature Life, will guide you in specific ways to apply these reflections and callings at work and at home. Author and speaker Dianna Booher shares the same in-depth insights that she offers to churches and her Fortune 500 clients during keynotes and workshops. As founder and CEO of Booher Research, she's an internationally recognized leadership, communication, and executive presence expert. As the author of 49 books, she has published with Penguin, Random House, Perigee, HarperCollins, Warner, McGraw Hill, Tyndale, and Thomas Nelson. **Daily Hope**
